

ASSESSMENT GUIDELINE

Module Title	Diagnostics		
Module Code	HEA00169M	Module Level*	7
Word Limit /Exam Duration	20 minutes presentation & 10 minutes viva	Assessment Type(s)	Presentation & viva
Marking Criteria Guidelines should be read in conjunction with the marking criteria guidance for the module level* noted above: http://www.york.ac.uk/healthsciences/student-intranet/exam-assess/markgrid/			
Confidentiality It is a breach of confidentiality to disclose any personal information about a patient, service user, colleague, staff or any other person or place that could in principle enable them to be identified. For further guidance please refer to the departmental policy on Confidentiality at the following link: www.york.ac.uk/healthsciences/student-intranet/exam-assess/conduct/confidentiality/			
Assessment Timing The deadline for correctly presenting a submission is 4.30pm on the published submission date. The submission deadline is published on the Programme Assessment Schedule available on the following link: http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/			
Referencing You must reference your work in accordance with departmental referencing guidelines which you can access via the following link: http://www.york.ac.uk/integrity/harvard.html			
Assessment Guidance Formative assessment You will be asked to present a summary of your patient/client to your peer group. The presentation should be no longer than 10 minutes and be focused on your differentials or diagnosis. Summative assessment You will be asked to present a case study of a patient/client you have assessed, made decisions regarding their diagnosis and management. During the presentation you should identify the investigations, your differentials, the underpinning physiology and pathophysiology and your management plan. The presentation should take up to 20 minutes. After you have presented you will then have questions based on your presentation which will last up to 10 minutes.
