<p>Assessment Guidance</p> <p><u>Formative Assessment</u> You will have to submit a communication and coordination plan to this group assignment (Proposal). Your formative plan will include:</p> <ol style="list-style-type: none"> 1. The roles and responsibilities of each group member (coordination aspect of the plan). 2. Communication aspect of the plan (a time-line for Skype meetings – can be weekly or bi-weekly and e-mail communication). 3. Overall timeline to submit the assignments on time to meet the deadlines. 4. Agree a set of ground rules that every team member agrees to for working in a group. <p><u>Group Proposal</u> You will be placed in groups of 3-5 people. It is likely other members of your group will be in different countries, time zones and from different cultures. Firstly, you should establish an effective mode of communicating with your group. The group should decide the different roles of each team member.</p> <p>You are required to write a proposal for your proposed response to a selected disaster/conflict. Select a disaster or conflict based crisis and develop a response for one of the following - Food and Nutrition; Shelter; Water, Sanitation and Hygiene (WASH); Health; and Protection. The proposal should be written as if it were to be submitted to a donor. Your proposal should include the 7 core components bullet below:</p> <ul style="list-style-type: none"> • Background to the situation, • Needs assessment • Aims and objectives of your response • Beneficiary information • Activities, outcomes and indicators • Timeline • Budget <p>The proposal should demonstrate a sound understanding of the crisis, context and provide a thoroughly planned and plausible humanitarian response. When developing your proposal consider:</p>			

- Community participation, engagement and ownership. Demonstrate in the proposal how you will learn from the affected communities as equal partners of change. There should be a level of reflection about humility to collaborate with affected communities.
- Monitoring and evaluation
- Exit strategy / sustainability

References should be used throughout your assignment.
