## Module Title
Introduction to Health Statistics

### Module Code
HEA00091

### Module Level*
7

### Word Limit /Exam Duration
2.5 hours

### Assessment Type(s)
Examination

### Marking Criteria
Guidelines should be read in conjunction with the marking criteria guidance for the module level* noted above: http://www.york.ac.uk/healthsciences/student-intranet/exam-assess/markgrid/

### Confidentiality
It is a breach of confidentiality to disclose any personal information about a patient, service user, colleague, staff or any other person or place that could in principle enable them to be identified. For further guidance please refer to the departmental policy on Confidentiality at the following link: www.york.ac.uk/healthsciences/student-intranet/exam-assess/conduct/confidentiality/

### Assessment Timing
The deadline for correctly presenting a submission is 4.30pm on the published submission date. The submission deadline is published on the Programme Assessment Schedule available on the following link: http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/

### Referencing
You must reference your work in accordance with departmental referencing guidelines which you can access via the following link: http://www.york.ac.uk/integrity/harvard.html

### Assessment Guidance
**Formative Assessment**

This formative exercise is to give students some practice in carrying out statistical analysis and reporting and provide them with the relevant feedback. However, there is no contribution to the mark for the module.

- Statistical reporting exercise
- Group discussion, critique and feedback

**Summative Assessment**

- Written examination (100% of module mark)
- Exam lasting two and a half hours
- Scheduled in the first week of the subsequent term
- Consists of multi-part questions
- Exam will be open book
