http://www.york.ac.uk/healthsciences/student-intranet/exam-assess/markgrid/

Confidentiality

It is a breach of confidentiality to disclose any personal information about a patient, service user, colleague, staff or any other person or place that could in principle enable them to be identified. For further guidance please refer to the departmental policy on Confidentiality at the following link: www.york.ac.uk/healthsciences/student-intranet/exam-assess/conduct/confidentiality/

Assessment Timing

The deadline for correctly presenting a submission is 4.30pm on the published submission date.

The submission deadline is published on the Programme Assessment Schedule available on the following link:
http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/

Referencing

You **must** reference your work in accordance with departmental referencing guidelines which you can access via the following link:
http://www.york.ac.uk/integrity/harvard.html

Assessment Guidance

Formative assessment

- Weekly practical exercises
- Selected exercises are discussed in class with contribution by students expected
- Answers can be handed in for feedback if desired

Summative assessment

The exam contains a multiple choice and short answer part:
- Multiple choice: interpretation of graphs and appropriate selection of statistical methods, marks awarded for single best answer
- Short answer: short written responses to a number of questions relating to statistical aspects contained in one or more published papers. The papers will be released in advance of the examination.

The total exam time is 3 hours. It is anticipated that this examination should take 2 hours with an hour for upload.
