## Module Title
Measurement in Health & Disease

### Module Code
HEA00028M

### Module Level*
7

### Word Limit / Exam Duration
2 hours

### Assessment Type(s)
Examination

### Marking Criteria
Guidelines should be read in conjunction with the marking criteria guidance for the module level* noted above:
http://www.york.ac.uk/healthsciences/student-intranet/exam-assess/markgrid/

### Confidentiality
It is a breach of confidentiality to disclose any personal information about a patient, service user, colleague, staff or any other person or place that could in principle enable them to be identified. For further guidance please refer to the departmental policy on Confidentiality at the following link:
www.york.ac.uk/healthsciences/student-intranet/exam-assess/conduct/confidentiality/

### Assessment Timing
The deadline for correctly presenting a submission is 4.30pm on the published submission date.
The submission deadline is published on the Programme Assessment Schedule available on the following link:
http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/

### Referencing
You must reference your work in accordance with departmental referencing guidelines which you can access via the following link:
http://www.york.ac.uk/integrity/harvard.html

### Assessment Guidance
This will be a two hour examination and will be split into two parts. The first part will be a series of single best answer questions. In the second part, students will be asked a series of questions about information from one or more published papers which will be provided in advance.

The exam will be open book, and students will be allowed to bring any notes or books they wish to the exam, however the exam will be conducted under the usual examination conditions.
