## Assessment Guidance

### Formative Assessment

In small groups, you are required to present a 5 minute verbal synopsis that outlines the key themes and content of the policy or strategy you have chosen as the focus of your summative assessment.

### Summative Assessment

You are required to write an essay on a health and/or social care policy or strategy of your choice that is having an impact on current health and social care practice and patient/client care. Policies/strategies you may wish consider include (but are not limited to):

- Policies to support people with long term conditions.
- Clinical commissioning
- Emergency care reform
- Policies relating to continuing care
- Strategies that promote partnership working
- Policies and strategies that promote the working across health and social care boundaries
- Strategies and policies promoting 24-hour patient care

Your essay should:

- **(A)** Describe the policy/strategy, setting it within the context of present day health and social care, and changing patterns of care delivery
- **(B)** Explore the evidence base and main drivers of the policy
- **(C)** Identify the impact of the policy/strategy on health and social care practice and patient/client care
- **(D)** Describe the responsibility of the health care professional in the implementation of the policy/strategy
