

ASSESSMENT GUIDELINE

Module Title	Assessment & Management of Common Conditions in Primary & Urgent Care		
Module Code	HEA00055H	Module Level*	6
Word Limit /Exam Duration	40 minutes	Assessment Type(s)	OSCE
Marking Criteria Guidelines should be read in conjunction with the marking criteria guidance for the module level* noted above: http://www.york.ac.uk/healthsciences/student-intranet/exam-assess/markgrid/			
Confidentiality It is a breach of confidentiality to disclose any personal information about a patient, service user, colleague, staff or any other person or place that could in principle enable them to be identified. For further guidance please refer to the departmental policy on Confidentiality at the following link: www.york.ac.uk/healthsciences/student-intranet/exam-assess/conduct/confidentiality/			
Assessment Timing The deadline for correctly presenting a submission is 4.30pm on the published submission date. The submission deadline is published on the Programme Assessment Schedule available on the following link: http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/			
Referencing You must reference your work in accordance with departmental referencing guidelines which you can access via the following link: http://www.york.ac.uk/integrity/harvard.html			
Assessment Guidance An Objective Structured Clinical Examination (OSCE) to assess consultation skills, safety and competence in the principles and practice of physical examination appropriate to common condition presentation The OSCE will be in two stages: <ul style="list-style-type: none"> • The first will be a formative which will provide the student with constructive feedback in preparation for the summative OSCE and conducted in a formal examination environment. This will consist of two assessment stations. • The second will be a summative OSCE at the end of the module which is a formal examination and as such will be conducted under exam conditions (refer to Student Handbook for full details). There will be two assessment stations. You have 40 minutes to complete them both and it is recommended you allow 20 minutes to each station. You will be asked to take a history first and this will follow with the relevant examination. <p>The OSCE assessment is marked on a Pass/Fail basis. You must achieve a mark of 40% or above to pass and ensure you demonstrate safe practice. Each OSCE is marked individually and you will <u>only be required to resit the assessment you were unsuccessful in.</u></p> <p>Due to the nature of the assessment for this module the University's anonymous marking policy does not apply to the OSCE assessment as students can be identified through the content or delivery of the assessment. Therefore assessments submitted should be identified with the student's name only and not the student's examination candidate number.</p>
