If you are applying for exceptional circumstances in relation to your assessment please note that your claim must be submitted by 4.30pm on the assessment date for extension requests and within one week from the assessment date for claims for performance

The NMC Standards for Pre-registration Nursing stipulate that all students must successfully complete all outstanding assessments, i.e. all module assessments must be passed, within 12 weeks of entering the next stage of the nursing programme in order for students to progress to the next stage of the programme.

Please note that while every effort will be made to adhere to this schedule, the dates may be subject to change due to unavoidable circumstances.

The Student Assessment Office will notify you of any changes via your University email account.

Professionally regulated programmes: In any assessment a failure to identify a serious problem or an answer that would cause a patient/client harm will result in failure of the assessment
