Commemorating WW1: Museum Staff Consent Form

I agree to participate, by being interviewed, in the *Commemorating WW1* research project. I have read the participant information sheet for the project.

I understand that I am free to withdraw from the interview at any time.

I give consent for the transcribed text of the interview to be used in research and publications arising from the project by the named researchers Dr Geoffrey Cubitt and Dr Jessica Moody, under the following conditions (tick as appropriate):

- I am happy to be identified, by name and title of post, when material from the interview is quoted or published
- I am happy for material from the interview to be quoted or published, under condition of anonymity
- I wish to be consulted further before material is quoted or published.
