### **Commemorating WW1: Visitor Consent**

I agree to participate, by being interviewed, in the *Commemorating WW1* research project. I have read the participant information sheet for the project.

I understand that the interview is being recorded anonymously, and that I am free to withdraw from the interview at any time.

I give consent for the transcribed text of the interview to be used in research and publications arising from the project by the named researchers: Dr Geoffrey Cubitt and Dr Jessica Moody.
