Tutor response:

I thoroughly enjoyed teaching the module. It has been a real pleasure to see students engaging with the content and learning to manipulate the language to express their thoughts on the subject matter.

I totally agree that the oral exam presentation was too short to allow students to perform to the best of their ability. I am pleased to report that from next year the duration will be increased.

The same for contact hours, there will be 5 hours per module.

Thank you for your feedback.
