**Module Convenor:** Joel Wallenberg

5 out of 27 students completed the online module evaluation.

2 students left comments.

Overall satisfaction score for the module was: 4.2

**Summary of comments:**

Positive comments	Number
This has been my favourite module in my degree! The classes were fun and engaging, and I felt inspired to challenge myself further.	1
This has been one of my favourite Linguistics modules that I have studied during my time at university and has helped to inculcate an interest in Computational Linguistics and Computer Science that reaches far beyond the classroom.	2

**Tutor response:**

I am very heartened by the positive response! The module material was challenging, and a number of students really rose to the challenge (and surpassed it, in some cases).

Thank you for your feedback.
