Library services for HYMS staff

The following is a summary only of library services available to HYMS staff. Further information and links can be found on the HYMS Blackboard > HYMS Library tab or via [http://libguides.hull.ac.uk/medicine](http://libguides.hull.ac.uk/medicine). These pages can be bookmarked for your mobile device by scanning the following image:

**Membership and use of the libraries**

As a member of HYMS, you are entitled to library privileges at both Universities. If you are an honorary/associate member of staff you may need to request membership of the university from HYMS before you can apply for membership of the university library concerned. To check your entitlement or request university membership, contact the Dean’s PA ([Sarah.brown2@hyms.ac.uk](mailto:Sarah.brown2@hyms.ac.uk)). **NOTE** if you just wish access to eResources you do not need a library card and should just request a Hull Athens and/or York eAccount only.

At Hull and York your University ID card acts as your library card. However, honorary/associate staff may need to check their library membership at York and apply for a separate library card in person or by phoning Lending Services on 01904 433873.

**Accessing resources**

**User accounts**

Different accounts provide access to various electronic resources subscribed to by the specific institution or organisation. These resources can include databases and electronic journals.

**HYMS staff** are entitled to accounts depending on their membership of the different organisations (please contact the Dean’s PA at [Sarah.brown2@hyms.ac.uk](mailto:Sarah.brown2@hyms.ac.uk) if you wish to clarify this). **NOTE** that you do not need a library card to access eResources.

See [http://libguides.hull.ac.uk/medicine](http://libguides.hull.ac.uk/medicine) > eResource Access Information for more information and links.

**Finding resources**

Use the following links to find resources available to you:

- **Books**: [http://libguides.hull.ac.uk/medicine](http://libguides.hull.ac.uk/medicine) > Find Books - with cross search facility allowing you to search for eBooks available via either university

- **Journals**: [http://libguides.hull.ac.uk/medicine](http://libguides.hull.ac.uk/medicine) > Find Journals by Title - with cross search facility allowing you to search for eJournals available via either university

- Medline and other databases: [http://libguides.hull.ac.uk/medicine](http://libguides.hull.ac.uk/medicine) > Find articles
**Document supply**

Items not available via either of the University Libraries may be requested via the Document Supply service of one or other of the two university libraries. See [http://libguides.hull.ac.uk/medicine](http://libguides.hull.ac.uk/medicine) > Document Supply & using other Libraries for more details.

**Purchase & digitisation suggestions**

Book purchase suggestions: can be sent to library@hyms.ac.uk. New HYMS books received are listed via RSS at [http://libguides.hull.ac.uk/medicine](http://libguides.hull.ac.uk/medicine) > New Books.

Journal/subscription suggestions: can be sent, with supporting information, to library@hyms.ac.uk in the first instance. All subscription requests need to be approved by the HYMS Library Committee.

Copyright cleared digitisation of course material requests: can be sent to library@hyms.ac.uk. See [http://libguides.hull.ac.uk/medicine](http://libguides.hull.ac.uk/medicine) > Copyright & Digitisation for more information.
