

## Pre-Conference Workshop Developing Presentation Skills

*Tuesday 28 June, 9:30-12:00  
(directly before the start of the conference)*

Open to a limited number of participants, this workshop will include discussions and interactive activities for those interested in receiving more detailed information and feedback on their presentation skills.

The agenda will include:

- Tailored feedback for those wishing to address specific aspects of their presentation style.
- Advice for creating visual aids, including aesthetic considerations, copyright, and fair use.
- Advice for asking and answering questions during a panel and an opportunity to field practice questions from the audience.
- Principles and advice for adapting papers for different audiences.

The attendance fee for the workshop is **£5** (and for the conference is **£15**)
