Astrocampus Risk Assessment

Hazard	Control Measures
Traffic accident on route to/from Astrocampus	<p>Group to walk over to Astrocampus together</p> <p>Cross from Roger Kirk Centre to car park at the zebra crossing</p> <p>Follow route behind Psychology, not along road past sports centre</p> <p>Warn group to be aware of cars and bikes and to keep to left side of the cycle path</p>
Trips on uneven ground	<p>Keep to paths</p> <p>Visit will be during daylight, so visibility will not be an issue</p>
Trips inside observatories	<p>Access to be kept clear of kit, cables etc</p> <p>Lights to be on when dome/roof closed</p>
Hitting head inside main observatory	<p>Warning to be issued as the group goes upstairs</p>
Medical emergency	<p>First aid kit kept on site</p> <p>Call campus security who will direct emergency services to the site</p>
Fire	<p>Fire extinguishers in every building – only to be used if it is safe to do so</p> <p>Call campus security who will direct emergency services to the site</p>
