14:45 – 15:00 Tea break

15:00 – 16:15 Data session on medical interaction

16:15 – 16:30 Closing Q&A session

Travel and Directions

The event will be held in the Research Centre for Social Sciences (RCSS) www.york.ac.uk/social-science This is a forty-five minute walk from the train station, but easily accessible by both taxi and bus from the station (around ten and twenty minutes respectively – although journeys sometimes take up to 45 minutes at peak travel times). A taxi will usually cost around £6 and a bus around £1.50.

Ask taxi drivers for ‘Church Lane’, or catch buses numbered 66 or 44, stopping Heslington Hall, crossing the road to ‘Innovation Close’. Detailed maps and further travel information (including information for those travelling by car) are available at: <http://www.york.ac.uk/about/maps/>

Taxi numbers for return journeys:

Six Five Nine: 01904 659 659 (this firm regularly collects from the University)

Station Taxis: 01904 623 332

Fleetways: 01904 365 365

Please note that taxis should ideally be booked around an hour in advance for return journeys to the station, as firms quickly become busy (particularly if it is raining!). Allow at least 45 minutes travel time to catch a train.
