

**Tim - Utrecht University, Netherlands**  
**(2017/18)**

This was the best year of my life. I have discovered so much about myself and about the world. I have seen so many new countries and cities and developed skills in history and in my passion of photography. I have found some friends I will keep forever and also an amazing girlfriend. I would recommend anyone to do this and my advice for them would be to just do as much as you can as it goes so fast.
