This website is run by GradFunding. Some parts of this website are not fully accessible for those with impaired vision, motor difficulties, cognitive impairments or impaired hearing. We want as many people as possible to be able to use the Alternative Guide to Postgraduate Funding, so we have created an accessible PDF version. - Use screen reader to read out the text or magnifier to increase size of the text.
- Uses keyboard shortcuts to mouse actions.

Please email us at [help@postgraduate-funding.com](mailto:help@postgraduate-funding.com) with information on your subscribing university (or the fact that you are an individual subscriber) to request a copy of the accessible PDF version of the Alternative Guide to Postgraduate Funding. In addition, we can provide customised accessible PDFs of other parts of our website, please email us at [help@postgraduate-funding.com](mailto:help@postgraduate-funding.com).
