

Statement of Accessibility

January 29, 2021

GoinGlobal continues its commitment to providing a website accessible to the largest possible audience, regardless of technology or ability. In order to further this commitment, GoinGlobal has contracted with an independent third-party (Promet Source) to remediate WCAG issues for which the GoinGlobal site does not comply. This work will be according to Web Content Accessibility Guidelines (WCAG) 2.1 Level A and AA.

GoinGlobal does not discriminate in its education and employment programs on the basis of religion, age, race, color, national origin, gender, marital or parental status, or disability and complies with Title VI of the Civil Rights Act of 1964, Title IX Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990.

In order to further our commitment to nondiscrimination, we are continuing to work on the website in order to ensure the site conforms to the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines (WCAG) 2.1. Such guidelines detail best practices for ensuring assistive technology users can access the site. The guidelines also make the site more user-friendly for all people.
