“My days at the University of York have been a really exceptional and life-changing experience. York has everything – excellent academics, beautiful nature on campus, a diverse environment and friendly people.”

Abdikarim, Somalia
THE CITY OF YORK

Our idyllic parkland campus is within walking distance of the bustling city centre, which means you can enjoy the best of both worlds.

York is a contemporary, student-friendly city, renowned for its rich history and heritage. With a population of over 200,000, it’s a buzzing city that’s big enough to feel vibrant and small enough to feel like home.

Shopping and eating: high-street favourites and cosy cafés

Major retail chains and independent stores share York’s iconic medieval streets. And if you need a bite to eat, the city boasts a thriving street food scene, high quality restaurants and quirky coffee shops.

Nightlife: creative hotspots and impressive venues

From quirky pubs to popular clubs, York has a diverse mix of venues that showcase aspiring musicians and established acts. The city is also home to a range of museums and galleries, as well as York Theatre Royal and a choice of cinemas.
Family life: green spaces and interactive attractions

York is a great place to raise a family. It has high-performing schools and a wealth of activities and welcoming spaces for you to enjoy. Have a picnic in the Museum Gardens or stroll around Rowntree Park, with its play parks and café, and enjoy fantastic views of York Minster from Dean’s Park.

Well connected: idyllic countryside and sweeping coastlines

York’s central location is perfect for exploring other UK and European cities. London is only two hours away by train and you can reach Edinburgh in two and a half hours. The beautiful Yorkshire countryside and coastline are also on our doorstep.

Travel independently or as part of a group to make friends and memories. Our Students’ Union often arranges trips to cities, national parks and the coast. Find out more: yusu.org

“I feel blessed to be able to live in York. I love having the comfort and safety of the city combined with many tourist attractions and amazing lush greenery. This is a city like no other!”

Weng Lum, Malaysia

“I love the history of York. The city walls, the rivers, the arches, the gardens: everything in York tells a story. In a few short months, York has become home for me. The city is charming, always bustling, yet somehow comfortable. I believe York is the perfect blend of history and modernity.”

Ishah, India

CAMPUS LIFE

Our beautiful parkland campus provides everything you need to make the most of your university experience.

Colleges
You will join one of the University's eleven colleges at York. These small, distinct communities will become your home from home. Your college will provide you with a network of support, friendship, facilities, and a full calendar of events and activities to help you settle in.

Culture and entertainment
It’s important to unwind during your studies. Whatever you’re interested in, you’ll find something to enjoy. On-campus, we have:

- our very own student-run theatre, The Drama Barn
- a cinema run by students, for students, staff and the public
- a whole host of student societies dedicated to music, dance, drama and comedy
- a rich programme of free open lectures and inspirational events such as YorkTalks, our annual research showcase
- York Festival of Ideas, featuring hundreds of free events to educate, entertain and inspire, including talks, exhibitions, theatre, music and film.

Students' Union
Run for, with, and by students, the University of York Students’ Union (YUSU) make sure you get the most out of your university experience. They oversee student-run sport and social societies, host a variety of events on campus, provide welfare support and volunteering opportunities and campaign on issues decided by you. Find out more: yusu.org

International Students' Association
The International Students’ Association (ISA) is a student group which exists to represent international students' interests, run social events and offer support. Find out more: yusu.org/your-voice/network/international
Societies and sport

There are over 200 student-run societies and over 60 sports clubs for you to get involved in. You don’t have to be an expert or pro to join – it’s all about new experiences, making friends and having fun. York Sport Village and York Sport Centre also provide a choice of excellent sports facilities.

Food and drink

The campus is packed with places to eat and drink and we cater for a diverse range of dietary requirements. There is also access to convenience stores, where you can pick up your groceries and essentials.

Getting around

We’re situated just outside York city centre, and everything is within walking or cycling distance. You can also use the fast and frequent bus service that runs between both parts of campus and on to the city centre and station, or hire an e-scooter or e-bike to whisk you into town. York is one of the UK’s most cycle-friendly cities and we have plenty of cycle racks on campus. Explore campus highlights: york.ac.uk/campus-tours

Our commitment to equality, diversity and inclusion

Being an international, research-led university relies on equality in participation, progression and success for all. We are committed to creating a working, learning, social and living environment that will enable all our students and staff to achieve their potential. Our students will experience and celebrate diverse cultures, knowledge and identities and are encouraged to make a positive contribution to the city, region and beyond.

“Student societies are probably one of my favourite things at university. With over 200 different societies at York, you are sure to find something that you enjoy. From sports such as netball or football to something as specific as hummus making, there’s a group for everything and everyone.”

Colombe, Switzerland
What are my room options?

Price bands
Prices reflect the size of the room, as well as the number of people sharing kitchen and bathroom facilities.

Catered or self-catered
We offer self-catering and catered options. Both include access to a shared kitchen.

En-suite or shared bathroom
Our rooms either have an en-suite bathroom or they have a washbasin in the room with access to a shared bathroom.

Let lengths
For undergraduate students our rooms are available for 40-week and 44-week lets, which include winter and spring vacations or 50-week lets, which also include most of the summer vacation. All our postgraduate rooms are available for at least 50 weeks, which includes the winter, spring and summer vacations.
Additional requirements
We have rooms suitable for students with health or disability requirements. You should mention these requirements in your accommodation application.

Families and couples
If you are bringing your family or partner with you to the UK it may be possible to stay in accommodation on campus. Only one person in the couple or family needs to be a full-time registered student to be eligible to apply.

Costs
Single, self-catered rooms on campus cost from £99 to £208 per week, with catered rooms available from £143 to £226 per week (prices are for 2023/24 entry and may change).

What is included?
- bedroom, shared kitchen and shared bathroom or en-suite
- wifi and 100Mbps wired internet access with no download limit in every bedroom
- shared kitchens are cleaned once a week and shared bathrooms are cleaned regularly
- electricity, heating, water, and contents insurance
- 24-hour campus security presence.

Find out what to bring with you: york.ac.uk/students/new/international/what-to-bring

Prioritised accommodation
As an international taught student, you will be prioritised for an offer of accommodation that is owned, managed or approved by the University. See our website for further details: york.ac.uk/accommodation

Living off campus
There is a wide selection of private sector accommodation within walking distance of the University. Rents vary and usually do not include bills for water, electricity, heating or internet access.

Colleges
You will be a member of one of our eleven colleges throughout your time here. Your college will provide you with a network of support and a calendar of events and activities to help you settle in, make friends and explore interests. Find out more: york.ac.uk/college-life
SUPPORT AND WELLBEING

Our support network is here if you need it and we offer dedicated services for international students.

International student support
We will help you settle in through a range of orientation events and support including a Manchester Airport collection service at set times of the year, a Welcome Week at the beginning of the academic year and immigration advice. You can also get to know others through the student-run International Students’ Association.

College team
Each college has a wellbeing team of staff and students. They will welcome and support you and help you make the most of college and university life.

Academic supervisor
An academic supervisor will support you through your studies. You will meet regularly and they will advise you on your academic progress and personal development.

Buddying Scheme
The International Student Buddying Scheme supports you by pairing you up with a current student. Your Buddy will share their own university experiences with you and be on hand with friendly advice.

Students with children
Our family network will help you meet and socialise with other parents. Further information on local schools, childcare options and the York Campus Nursery: york.ac.uk/nursery

Open Door and Disability
Open Door is a team of mental health professionals providing support to students. Our Disability Advisers offer support, advice and guidance to students with a diagnosed disability.

“The University pays a lot of attention to mental health and wellbeing. I feel like I could talk to anyone in my department if I feel like I’m struggling. The University also holds many helpful workshops on academic writing and maths skills.”

Beliz, Turkey
Independent advice

Students' Union
If you need guidance relating to your course or personal matters you can talk to staff in the Students’ Union Advice and Support Centre (ASC).

Chaplaincy
The Christian chaplains at the University are available to people of all faiths and none. There is also a network of contacts from other world faiths and dedicated spaces for prayer and reflection on campus.

Health services
The health centre closest to campus, Unity Health, offers doctors’ appointments, a repeat prescription service and walk-in clinics.

Careers support
Our Careers and Placements team offers a range of opportunities to enhance your career prospects, including:

- our unique York Strengths programme to help you identify what you’re good at and enjoy most (for first year undergraduates, postgraduate taught students and visiting students)
- networking at regular careers fairs and events (on campus or online) and the chance to explore job opportunities
- volunteering, to broaden your leadership and organisational skills
- advice on part-time work and internships that fit in with your visa requirements
- support to understand your options for working in the UK or preparing to find work back home.

Discover more about how we can help you prepare for your career at york.ac.uk/careers
Once you have accepted your place there are a few things you need to know before you arrive.

Before you leave home

Visa information
If you have accepted your offer and require a Student Visa, you can request your Confirmation of Acceptance for Studies (CAS) online via You@York, our online application portal. Once the CAS is issued, you can apply for your visa. Our Immigration Advice Service offers help and support with your visa application. Find out more: york.ac.uk/students/support/international/immigration

Healthcare
You will need to pay an immigration health surcharge if you require a Student Visa. This entitles you to receive free health services from the National Health Service (NHS). On arrival at York you can register with a doctor/general practitioner (GP) at Unity Health, next to the campus. If you require medical treatment in the UK, a full up-to-date vaccination record (in English, if possible) will help you get the best care possible. There are additional charges for dental treatments available on the NHS.
Arriving at York

Airports
We recommend that you arrive at Manchester Airport if possible. We offer a free Manchester Airport collection service in September, where you will be welcomed by University staff and students. You can book your place online after completing enrolment. Alternatively, you can get a train from the airport which takes takes around two hours. Other nearby airports are Leeds-Bradford and Newcastle International.

The first week
During the first week of Autumn Term, the University of York Students’ Union (YUSU) and colleges organise activities and events to help new undergraduates settle in. There are also different events specifically for international students. You’ll get to know your new surroundings and meet new people.

Semester dates
Our academic year is split into two semesters with winter, spring and summer vacations. See a full list of term dates: york.ac.uk/termdates

Travelling to the UK
International student Gracia, from Indonesia, shares her top tips for travelling to the UK.

Itinerary: Book and arrange your travel itinerary in advance.

Paperwork: Prepare and manage your visa along with other additional requirements (for example, health certificate and vaccination certificates).

Packing: You do not have to bring a lot of daily essentials like toothpaste or soap. For clothes, remember that the weather and climate in your home country and in the UK might be different.

Accommodation: Make sure you have already secured your accommodation in York. Get more student views on preparing for life at York at york.ac.uk/blogs-international

Types of course

Undergraduate degrees

An undergraduate degree (known as a Bachelors) typically lasts three years. There are also some four year and five-year degrees which might include a work placement, a year abroad or a Masters year (known as an Integrated Masters) with more advanced study. Many courses specialise in a single subject and we offer some joint or combined honours degrees.

Qualifications include:

• Bachelor of Science (BSc)
• Bachelor of Arts (BA)
• Bachelor of Engineering (BEng)
• Integrated Masters (for example, MBiol, MChem, MEng, MMath, MPhys and MSci)
• Law (LLB)

“The standard of learning is next to none. My lecturers and professors are readily available to help with any questions and resources for better learning.”

Chukwudiuto, Nigeria
Postgraduate taught

A Masters, or other specialist postgraduate taught degree, will help you develop and build upon the skills and knowledge learned at undergraduate level. They typically last one year.

Qualifications include:

- Master of Science (MSc)
- Master of Arts (MA)
- Master of Business Administration (MBA)
- Master of Engineering (MEng)
- Master of Law (LLM)
- Master of Public Administration (MPA)
- Master of Public Health (MPH)
- Master of Research (MRes)
- MA/MSc by Research
- Postgraduate Certificate and Diploma (PGCert and PGDip)

A range of online and distance learning postgraduate courses are also available.

Postgraduate research

Research degrees are the highest degree awarded by UK universities. They allow you to take an in-depth study of a particular topic.

Qualifications and typical duration:

- Doctor of Philosophy (PhD) – three years
- Master of Philosophy (MPhil) – two years
- Master of Arts (MA) by research – one year
- Master of Science (MSc) by research – one year

We offer some four-year PhDs and a small number of online and distance learning PhDs.

International pathway courses

Our specially designed courses will help you prepare for degree-level study at York. Study at our International Pathway College on campus and benefit from outstanding teaching by University staff. If you complete the course to the required level, you will be guaranteed a place on your chosen degree.

Undergraduate pathway courses

The Foundation Certificate programme is available in the following subject areas:

- Business and Finance
- Computing Science and Engineering
- Humanities, Creative Arts and Media
- Interactive Media
- Law and Social Sciences
- Life Science, Biomedicine and Environment
- Mathematics, Economics and Actuarial Science

See further information: york.ac.uk/ipc

Postgraduate pathway courses

The Pre-Masters courses are available in the following subject areas:

- Business with Law
- Education, Media and Social Sciences
- Management and Quantitative Skills
- Science, Technology, Engineering and Mathematics

See further information: york.ac.uk/ipc
Pre-sessional English courses

Pre-sessional programmes help you to develop your academic language and skills with options to study both on campus and online.

If you need to meet language requirements, we will support you in developing your language and skills within an academic context. This will help better prepare you for your academic life, and students often report feeling more prepared for their degree after studying these programmes.

Our shorter courses are excellent for students who have already met their language requirements, but would like an introduction into academic life at York, along with improving your existing academic language and skills in advance of your studies.

If you are applying for a pre-sessional English language course and require a Student Visa, you must take a UK government-approved Secure English Language Test. After you have accepted your offer, we will confirm which pre-sessional course you should apply to online via You@York, our online portal where you can manage your application.

Teaching and assessment

Academics who are leaders in their fields design our courses to inspire and support you to graduation and beyond.

Academic support

You will get the guidance you need from your tutors and academic supervisor and through assessment and feedback, such as coursework, projects, group work and exams.

Flexible options

Many courses allow you to pursue areas of interest by choosing from optional modules within your degree, or in some cases from another subject.

Assessment methods

Assessment methods vary by subject area and module. A combination of examinations, practical work, essays, dissertations, project work and oral assessment may be used.

Tailored teaching styles

You may attend small group tutorials, as well as larger group seminars and lectures, depending on your course. Many modules feature online resources and self-directed learning methods to use out of the classroom.
Before you apply to a course, read our detailed guidance on fees, funding and living costs: york.ac.uk/study/international/fees-funding

**Tuition fees**
International tuition fees depend on the type of course and whether the course is classroom – or lab-based. For 2024 entry to York, international tuition fees range from £22,200 to £29,400 (excluding Medicine). A full list of our tuition fees can be found on our website. Find out more: york.ac.uk/study/international/fees-funding

**Masters fee discount**
Once you have successfully completed a York undergraduate degree or short course, you could be eligible for a ten per cent tuition fee discount on a Masters degree at York.

**Annual fee increases for international students**
If you are an international student and your course is longer than one year, you should be aware that the tuition fee in following years will be subject to annual increases. You should take this into account in your financial planning.
The fees quoted in your offer letter are normally for one year of study. Fees are subject to increase in subsequent years in line with the prevailing Consumer Price Index (CPI) inflation rate (up to a maximum of 10%).

**Funding support**

As a university for public good, York offers a wide range of scholarships and awards to help talented students from all backgrounds achieve their goals. We offer scholarships, bursaries and other funding to help you with tuition fees and living expenses.

Find out more about undergraduate funding:
york.ac.uk/study/undergraduate/fees-funding/international/scholarships

Find out more about postgraduate funding:
york.ac.uk/study/postgraduate-taught/fees/living-costs

**Living costs**

You can find information on living costs and budgeting on our web pages:

Undergraduate: york.ac.uk/study/undergraduate/fees-funding/living-costs

Postgraduate: york.ac.uk/study/postgraduate-taught/fees/living-costs

**Work while you study**

You could take on a part-time job, such as becoming an International Student Ambassador, to help cover costs, develop skills and strengthen your CV. If you are on a full-time Student Visa you can work up to 20 hours per week in term-time.

“Receiving a scholarship has been the most amazing support to have received from the University and was incredibly affirming as an international student.”

Keaton, USA
APPLYING: UNDERGRADUATE

Here is your quick guide to applying. You should also read our detailed guidance: york.ac.uk/ug-apply

1. **Check the entry requirements**

Find requirements for your country: york.ac.uk/yourcountry. You can also find the entry requirements for your chosen course on the course web page.

2. **Explore funding options**

Various funding options are available to help with tuition fees and living costs. Be sure to check the funding application deadlines.

3. **Complete your application**

Prepare your personal statement and apply online: ucas.com

4. **Track your application**

You can track your application online via UCAS Hub. There are two types of offer you might receive from us:

- conditional – you still need to meet some or all of the conditions of your offer
- unconditional – you have secured your place.

**Important information**

**Interviews**

Some departments may require you to submit a self assessment, samples of work or attend an interview.

**Language requirements**

If you are a non-native English-speaking applicant you must provide evidence of your English language ability. If you need to meet a language condition, you may be able to take a pre-sessional language course for entry to your chosen degree. More information: york.ac.uk/ug-apply

**International pathway courses**

If you do not meet the entry requirements, some of our courses offer you the opportunity to prepare for entry via a Foundation Certificate programme. More information: york.ac.uk/ipc
5. **Read the terms and conditions**

If your application is successful, you will be notified of your offer via email. If you have been awarded funding, ensure you have read the terms and conditions in your award letter too.

6. **Submit documents**

You may need to submit the necessary documents to meet any conditions of your offer.

7. **Apply for accommodation**

Key dates: york.ac.uk/accommodation

8. **Apply for your visa**

If you require a Student Visa to study in the UK, you will need a Confirmation of Acceptance for Studies (CAS). You can request your CAS after you have accepted an offer. We can issue your CAS once your offer becomes unconditional, and not longer than six months before your course starts.

9. **Enrol online**

In August, once your place is confirmed, we will email you about how to set up your IT account and complete enrolment.

10. **Prepare to join us at York**

Find out what to do before you arrive and learn about our free airport collection service from Manchester: york.ac.uk/international-new
APPLYING: POSTGRADUATE

Here is your quick guide to applying. You should also read our detailed guidance: york.ac.uk/pg-apply

1. Check the entry requirements

Find requirements for your country: york.ac.uk/yourcountry

You can also find the entry requirements for your chosen course on the course web page.

2. Check the deadline

The deadline for international applications is published on our web pages and you are encouraged to apply early, as entry is competitive. Some courses have different deadlines throughout the year.

3. Explore funding options

Various funding options are available to help with tuition fees and living costs. Be sure to check the funding application process and deadlines.

4. Complete your application

Supply your supporting documents and submit your application online. We do not charge an application fee.

5. Track your application

You can track your application online and upload any final supporting documents via You@York.

6. Read the terms and conditions

If your application is successful, you will be notified of your offer via email. There are two types of offer you might receive from us:

• conditional – you still need to meet some or all of the conditions of your offer
• unconditional – you have secured your place at York.

Your offer letter will be available online at You@York. If you have been awarded funding, ensure you have read the terms and conditions in your award letter too.

7. Apply for accommodation

Important information

Applying for a research degree

If you are applying to a research degree you should visit department web pages and contact potential supervisors to discuss research areas before you apply. This will help to ensure a proper match between you and your prospective supervisor.

You will also need to prepare a research proposal with your application. It must outline the topic of your proposed research and the questions it addresses.

What supporting documents do I need?

You will need to supply us with:
- an academic transcript
- CV (optional)
- evidence of financial support (if applicable)
- details of your referees (if requested).

Some courses also require a sample of your written work to further demonstrate your suitability. Find out more: york.ac.uk/pg-written-work-requirements

Language requirements

If you need to meet a language condition, you may be able to take a pre-sessional language course for entry to your chosen degree. More information: york.ac.uk/pg-apply

Pre-Masters pathways

If you do not meet the entry requirements, some of our Masters courses offer you the opportunity to prepare for entry via an international Pre-Masters course. More information: york.ac.uk/ipc
### UNDERGRADUATE COURSES

Courses last three years unless stated otherwise. Once you start your course you can explore study or work abroad opportunities. There is also an optional placement year as part of your degree. Search our courses: york.ac.uk/study/undergraduate/courses/all
