York is a contemporary, student-friendly city, renowned for its rich history and heritage. With a population of 200,000, it’s a buzzing city that’s big enough to feel vibrant and small enough to feel like home.

Nightlife: creative hotspots and impressive venues
From quirky pubs to popular clubs, York has a diverse mix of venues that showcase aspiring musicians and established acts. The city is also home to a range of museums and galleries, as well as theatres and a choice of cinemas.

Shopping and eating: high-street favourites and cosy cafés
Major retail chains and independent stores share York’s iconic medieval streets. And if you need a bite to eat, the city boasts a thriving street food scene, high quality restaurants and quirky coffee shops.

“I FEEL BLESSED TO BE ABLE TO LIVE IN YORK. I LOVE HAVING THE COMFORT AND SAFETY OF THE CITY COMBINED WITH MANY TOURIST ATTRACTIONS AND AMAZING LUSH GREENERY. THIS IS A CITY LIKE NO OTHER!”

IT’S A GREAT CITY TO ENJOY WITH FRIENDS, SHOW OFF TO VISITORS FROM HOME, OR SIMPLY UNWIND AFTER A BUSY DAY AT UNIVERSITY.”

Charaspat, Thailand

Picturesque city: green spaces and interactive attractions

York is filled with magical scenes: the serene York Museum Gardens; winding cobbled streets like the world-famous Shambles; and fascinating historic sites like York Minster, which offers free student entry. All this and more is surrounded by ancient, walkable city walls.

Well connected: idyllic countryside and sweeping coastlines

York’s central location is perfect for exploring other UK and European cities. London is only two hours away by train and you can reach Edinburgh in two and a half hours. The beautiful Yorkshire countryside and coastline are also on our doorstep.

Once you’ve accepted your place there are a few things you need to know before you arrive.

**Before you leave home**

**Visa information**
Check the type of visa that you need to study in the UK. If you require a student visa you can apply for your visa from three months before your course start date. We can also provide support with your application, see york.ac.uk/immigration

**Healthcare**
You will need to pay an immigration health surcharge if you require a student visa. This entitles you to receive free health services from the National Health Service (NHS). On arrival at York you can register with doctor/GP at Unity Health, next to campus. If you require medical treatment in the UK, a full up-to-date vaccination record (in English, if possible) will help you get the best care possible. There are additional charges for dental treatments available on the NHS. There is no health surcharge if you come to the UK on a Standard Visitor Visa, but we recommend that you have your own health insurance in place.

**Arriving at York**

**Airports**
We recommend that you arrive at Manchester Airport, if possible. We offer a free Manchester Airport collection service for Semester One starters, where you will be welcomed by University staff and students. You can book your place online after completing enrolment. Alternatively, you can get a train from the airport which takes around two hours. Other nearby airports are Leeds-Bradford and Newcastle International.

**The first week**
During the first week of Semester One, the Students’ Union and colleges organise activities and events to help new undergraduates settle in. There are also different events specifically for international students. During Welcome Week, you will be invited to a Visiting Student Orientation and an Icebreaker Social. Colleges and Departments also hold welcome events. If you are joining us at another point in the year, you can check with your Department to see what you can get involved with.
Semester dates

STUDENT VIEW

Moving to the UK
International student Yan, from Hong Kong, shares her top tips to help you prepare for studying in the UK.

Weather: If you don’t know already, it can rain quite a bit in the UK. But most of the time it’s just drizzle. Therefore, instead of umbrellas, I would recommend bringing some hooded waterproof coats to deal with the weather.

Transport: If you are planning to visit other places whilst you are studying in the UK, remember to apply for a 16-25 Railcard! You can enjoy a discount on most rail fares.

Homesickness: Making yourself busy is definitely a way to deal with homesickness. I had one kind of weird way to deal with it, which was to bring some of my favorite local snacks. So remember to pack some of them in your luggage.
