MEET US
Discover what studying and living in York is really like.

Support available in your country
York staff make regular overseas visits. In some countries, we also have local representatives who can provide help and advice with the application process and preparation to study at York. Connect with a representative: york.ac.uk/yourcountry

Talk to a York student
Our International Ambassadors are happy to speak to you about their experience in York. Chat with an ambassador online: york.ac.uk/study/chat
Take an online campus tour
Explore York from the comfort of your own home with our whistle-stop virtual Open Day experience. Watch videos, 360s and take a tour of campus and the city: york.ac.uk/virtual-visit

Discover our online events
Join us for our virtual events that take place throughout the year. See what events we have planned: york.ac.uk/meet-us-online

Get the student view
Get the inside view on life at York – the fun stuff and the challenges – from our student blogs: blogs.york.ac.uk

Well connected
York is one of Britain’s best connected cities. It is easy to get to and a great base for exploring the UK. You can be in London in two hours, Leeds in 20 minutes and Manchester in one and a half hours.
Choose York

Be inspired by brilliant minds, discover exciting new activities and develop your ambitions in our supportive environment.

Get an outstanding education experience
Our ground-breaking research underpins our inspiring teaching, challenging you to dream big, think critically and change the world.

Join our global community
Live and study with independent thinkers from over 150 countries and make friends from all over the globe.

Shape your future
Enhance your career prospects through exciting opportunities that help you stand out from the crowd.

Have space to think
Benefit from our £500m investment in new student accommodation and state-of-the-art facilities.

93% of York graduates entered work or further study within 15 months of graduating
HESA Graduate Outcomes Survey 2018/19, UK graduates

27% of our students are from outside the UK
Undergraduate and postgraduate student headcount, November 2021

Safest city-based university in the UK
'Crime rates in university cities and towns' statistics, Complete University Guide 2022
Feel at home
Live and study in our beautiful, green parkland campus and make friends through our college system – it provides an instant social life and a secure, supportive environment.

Try something different
Meet interesting people and enjoy a vibrant social life through a variety of activities on campus. There are over 200 social, cultural, international and religious student-led societies and over 60 sports clubs to choose from.

Explore our city of contrasts
Discover our student-friendly, contemporary city, which is rich in history and regularly named as one of the best places to live in Britain.

“My days at the University of York have been a really exceptional and life-changing experience. York has everything – excellent academics, beautiful nature on campus, a diverse environment and friendly people.”
Abdikarim, Somalia
THE CITY OF YORK

Our idyllic parkland campus is within walking distance of the bustling city centre, which means you can enjoy the best of both worlds.

York is a contemporary, student-friendly city, renowned for its rich history and heritage. With a population of over 200,000, it’s a buzzing city that’s big enough to feel vibrant and small enough to feel like home.

**Shopping and eating: high-street favourites and cosy cafés**

Major retail chains and independent stores share York’s iconic medieval streets. And if you need a bite to eat, the city boasts a thriving street food scene, high quality restaurants and quirky coffee shops.

**Nightlife: creative hotspots and impressive venues**

From quirky pubs to popular clubs, York has a diverse mix of venues that showcase aspiring musicians and established acts. The city is also home to a range of museums and galleries, as well as York Theatre Royal and a choice of cinemas.
Family life: green spaces and interactive attractions

York is a great place to raise a family. It has high-performing schools and a wealth of activities and welcoming spaces for you to enjoy. Have a picnic in the Museum Gardens or stroll around Rowntree Park, with its play parks and café, and enjoy fantastic views of York Minster from Dean’s Park.

Well connected: idyllic countryside and sweeping coastlines

York’s central location is perfect for exploring other UK and European cities. London is only two hours away by train and you can reach Edinburgh in two and a half hours. The beautiful Yorkshire countryside and coastline are also on our doorstep.

Travel independently or as part of a group to make friends and memories. Our student unions often arrange trips to cities, national parks and the coast.

“I feel blessed to be able to live in York. I love having the comfort and safety of the city combined with many tourist attractions and amazing lush greenery. This is a city like no other!”

Weng Lum, Malaysia

“York is one of the most culturally vibrant cities in the UK. Walking through cobbled streets full of historical gems, explore the city’s endless array of independent places to shop, eat and drink.

It’s a great city to enjoy with friends, show off to visitors from home, or simply unwind after a busy day at university.”

Charaspat, Thailand

York city guide
CAMPUS LIFE

Our beautiful parkland campus provides everything you need to make the most of your university experience.

Colleges
You will join one of the 11 colleges in York. These small, distinct communities will become your home from home. Your college will provide you with a network of support, friendship, facilities, and a full calendar of events and activities to help you settle in.

Culture and entertainment
It’s important to unwind during your studies. Whatever you’re interested in, you’ll find something to enjoy. On-campus, we have:
• our very own student-run theatre, The Drama Barn
• a cinema run by students, for students, staff and the public
• a whole host of student societies dedicated to music, dance, drama and comedy
• a rich programme of free open lectures and inspirational events such as YorkTalks, our annual research showcase
• York Festival of Ideas, featuring hundreds of free events to educate, entertain and inspire, including talks, exhibitions, theatre, music and film.

University of York Students’ Union (YUSU)
Run for, with, and by students, YUSU make sure you get the most out of your university experience. They oversee student-run sport and social societies, host a variety of events on campus, provide welfare support and volunteering opportunities and campaign on issues decided by you. Find out more: https://yusu.org

Graduate Students’ Association (GSA)
York is one of the few UK universities to have an independent Postgraduate Students' Union. The GSA runs the UK’s largest Postgraduate Welcome Week and provides a social community to all new Postgraduates. On top of that the GSA delivers a number of free sports sessions, volunteering opportunities and an independent confidential advice service. Find out more: www.yorkgsa.org
Societies and sport
There are over 200 student-run societies and over 60 sports clubs for you to get involved in. You don’t have to be an expert or pro to join – it’s all about new experiences, making friends and having fun. York Sport Village and York Sport Centre also provide a choice of excellent sports facilities.

Food and drink
The campus is packed with places to eat and drink and we cater for a diverse range of dietary requirements. There is also access to convenience stores, where you can pick up your groceries and essentials.

Getting around
We’re situated just outside York city centre, and everything is within walking or cycling distance. You can also use the fast and frequent bus service that runs between both parts of campus and on to the city centre and station, or hire an e-scooter or e-bike to whisk you into town. York is one of the UK’s most cycle-friendly cities and we have plenty of cycle racks on campus. Explore campus highlights: york.ac.uk/campus-tours

Our commitment to equality, diversity and inclusion
Being an international, research-led university relies on equality in participation, progression and success for all. We are committed to creating a working, learning, social and living environment that will enable all our students and staff to achieve their potential. Our students will experience and celebrate diverse cultures, knowledge and identities and are encouraged to make a positive contribution to the city, region and beyond.

“Student societies are probably one of my favourite things at university. With over 200 different societies at York, you are sure to find something that you enjoy. From sports such as netball or football to something as specific as hummus making, there’s a group for everything and everyone.”
Colombe, Switzerland
What are my room options?

Price bands
Prices reflect the size of the room, as well as the number of people sharing kitchen and bathroom facilities.

Catered or self-catered
We offer self-catering and catered options. Both include access to a shared kitchen.

En-suite or shared bathroom
Our rooms either have an en-suite bathroom or they have a washbasin in the room with access to a shared bathroom.

Let lengths
For undergraduate students our rooms are available for 40-week and 44-week lets, which include Christmas and Easter vacations, or 50-week lets, which also include most of the summer vacation. All our postgraduate rooms are available for 50 weeks, which includes the Christmas, Easter and summer vacations.

ACCOMMODATION
All our accommodation is located on or very near campus and is centred around our colleges. Each college has a welcoming, supportive community, so you will soon feel at home.
Additional requirements
We have rooms suitable for students with health or disability requirements. You should mention these requirements in your accommodation application.

Families and couples
If you are bringing your family or partner with you to the UK it may be possible to stay in accommodation on campus. As an international student, you will be given top priority in our allocation policy.

Costs
Single, self-catered rooms cost from £99 to £200 per week, with catered rooms available from £136 to £208 per week (prices are for 2022/23 and may change).

What is included?
• Bedroom, shared kitchen and shared bathroom or en-suite
• Wifi and 100Mbps wired internet access with no download limit in every bedroom
• Shared kitchens are cleaned once a week and shared bathrooms are cleaned regularly
• Electricity, heating, water, and contents insurance
• 24-hour campus security presence.

Find out what to bring with you: york.ac.uk/students/new/international/what-to-bring

Prioritised accommodation
As an international taught student, you will be prioritised for an offer of accommodation that is owned, managed or approved by the University. See our website for further details: york.ac.uk/accommodation.

Living off campus
There is a wide selection of private sector accommodation within walking distance of the University. Rents vary and usually do not include bills for water, electricity, heating or internet access.

Colleges
You will be a member of one of our eleven colleges throughout your time here. Your college will provide you with a network of support and a calendar of events and activities to help you settle in, make friends and explore interests. Find out more: york.ac.uk/college-life
SUPPORT AND WELLBEING

Our support network is here if you need it and we offer dedicated services for international students.

International student support
We will help you settle in through a range of orientation events and support including a Manchester Airport collection service at set times of the year, a Welcome Week at the beginning of the academic year and immigration advice. You can also get to know others through the student-run International Students’ Association.

College team
Each college has a wellbeing team of staff and students. They will welcome and support you and help you make the most of college and university life.

Academic supervisor
An academic supervisor will support you through your studies. You will meet regularly and they will advise you on your academic progress and personal development.

Students with children
Our family network will help you meet and socialise with other parents. Further information on local schools, childcare options and the York Campus Nursey: york.ac.uk/nursery

Open Door and Disability
Open Door is a team of mental health professionals providing support to students. Our Disability Advisers offer support, advice and guidance to students with a diagnosed disability.

“My experience with the Management School Careers Service has been nothing but supportive and positive. They have provided me with any information I have requested and answered all the questions I have ever had. They are always happy to take time, sit down and have a chat about any concerns and questions or give me feedback.”
Tara, BA Business and Management (with a year in industry) (Singapore)
Independent advice

**Students’ Unions**

If you need guidance relating to your course or personal matters you can talk to staff in the Students’ Union Advice and Support Centre (ASC) and the Graduate Students’ Association’s Advice Service.

**Nightline**

Nightline is run by trained student volunteers and provides a confidential listening and information service for students from 8pm to 8am during term-time.

**Chaplaincy**

The Christian chaplains at the University are available to people of all faiths and none. There is also a network of contacts from other world faiths and dedicated spaces for prayer and reflection on campus.

**Health services**

The health centre closest to campus, Unity Health, offers doctors’ appointments, a repeat prescription service and walk-in clinics.

---

**Careers support**

Our Careers and Placements team offers a range of opportunities to enhance your career prospects, including:

- Our unique York Strengths programme to help you identify what you’re good at and enjoy most (for first year undergraduates, postgraduate taught students and visiting students)
- Networking at regular careers fairs and events (on campus or online) and the chance to explore job opportunities
- Volunteering, to broaden your leadership and organisational skills
- Advice on part-time work and internships that fit in with your visa requirements
- An invitation to join the York Alumni Association once you leave York, giving you lifelong access to careers support and networking opportunities
- Support to understand your options for working in the UK or preparing to find work back home.

Discover more about how we can help you prepare for your career at [york.ac.uk/careers](http://york.ac.uk/careers)
PREPARATION AND ARRIVAL

Once you have accepted your place there are a few things you need to know before you arrive.

Before you leave home

Visa information
If you have accepted your offer and require a Student Visa, you can request your Confirmation of Acceptance for Studies (CAS) online via You@York, our online application portal. Once the CAS is issued, you can apply for your visa. Our Immigration Advice Service offers help and support with your visa application. Find out more: york.ac.uk/students/support/international/immigration

Healthcare
You will need to pay an immigration health surcharge if you require a Student Visa. This entitles you to receive free health services from the National Health Service (NHS). On arrival at York you can register with a doctor/general practitioner (GP) at Unity Health, next to the campus. If you require medical treatment in the UK, a full up-to-date vaccination record (in English, if possible) will help you get the best care possible. There are additional charges for dental treatments available on the NHS.
Student view

Arriving at York

Airports

We recommend that you arrive at Manchester Airport if possible. We offer a free Manchester Airport collection service in September, where you will be welcomed by University staff and students. You can book your place online after completing enrolment. Alternatively, you can get a train from the airport which takes around two hours. Other nearby airports are Leeds-Bradford and Newcastle International.

The first week

During the first week of Autumn Term, the University of York Students’ Union (YUSU) and colleges organise activities and events to help new undergraduates settle in. The week before Autumn Term starts there is a Postgraduate Welcome Week organised by the Graduate Students’ Association (GSA). There are also different events specifically for international students. You’ll get to know your new surroundings and meet new people.

Semester dates

Our academic year is split into two semesters with vacations at Christmas, Easters and over the summer. See a full list of term dates: visit york.ac.uk/termdates

Student view

Travelling to the UK

International student Gracia (Indonesia) shares her top tips for travelling to the UK.

Itinerary: Book and arrange your travel itinerary in advance.

Paperwork: Prepare and manage your visa along with other additional requirements (for example, health certificate and vaccination certificates).

Packing: You do not have to bring a lot of daily essentials like toothpaste or soap. For clothes, remember that the weather and climate in your home country and in the UK might be different.

Accommodation: Make sure you have already secured your accommodation in York. Get more student views on preparing for life at York at york.ac.uk/blogs-international

FIND OUT MORE

Information for new students
Why study in the UK?

A UK degree is recognised worldwide by employers and government agencies.

Live and study in a multicultural environment: the UK is home to over 600,000 international higher education students (Higher Education Statistics Agency (HESA) 2020/21).

Find out more about the benefits of studying in the UK: york.ac.uk/study-in-uk

Types of course

Undergraduate degrees

An undergraduate degree (known as a Bachelors) typically lasts three years. There are also some four year and five-year degrees which might include a work placement, a year abroad or a Masters year (known as an Integrated Masters) with more advanced study. Many courses specialise in a single subject and we offer some joint or combined honours degrees.

Qualifications include:

- Bachelor of Science (BSc)
- Bachelor of Arts (BA)
- Bachelor of Engineering (BEng)
- Integrated Masters (for example, MBiol, MChem, MEng, MMath, MPhys and MSci)
- Law (LLB)
Postgraduate taught

A Masters, or other specialist postgraduate taught degree, will help you develop and build upon the skills and knowledge learned at undergraduate level. They typically last one year.

Qualifications include:

- Master of Science (MSc)
- Master of Arts (MA)
- Master of Business Administration (MBA)
- Master of Engineering (MEng)
- Master of Law (LLM)
- Master of Public Administration (MPA)
- Master of Public Health (MPH)
- Master of Research (MRes)
- MA/MSc by Research
- Postgraduate Certificate and Diploma (PGCert and PGDip)

A range of online and distance learning postgraduate courses are also available.

Postgraduate research

Research degrees are the highest degree awarded by UK universities. They allow you to take an in-depth study of a particular topic.

Qualifications and typical duration:

- Doctor of Philosophy (PhD) – three years
- Master of Philosophy (MPhil) – two years
- Master of Arts (MA) by research – one year
- Master of Science (MSc) by research – one year

We offer some four-year PhDs and a small number of online and distance learning PhDs.

International pathway courses

Our specially designed courses will help you prepare for degree-level study at York. Study at our International Pathway College on campus and benefit from outstanding teaching by University staff. If you complete the course to the required level, you will be guaranteed a place on your chosen degree.

Undergraduate pathway courses

The Foundation Certificate programme is available in the following subject areas:

- Business and Finance
- Computing Science and Engineering
- Humanities, Creative Arts and Media
- Interactive Media
- Law and Social Sciences
- Life Science, Biomedicine and Environment
- Mathematics, Economics and Actuarial Science
- Postgraduate pathway courses
- The Pre-Masters courses are available in the following subject areas:
  - Business with Law
  - Education, Media and Social Sciences
  - Management and Quantitative Skills
  - Science, Technology, Engineering and Mathematics

See further information: york.ac.uk/ipc
Pre-sessional English courses
If you need to meet a language condition for entry to an undergraduate or postgraduate degree-level course, you can take a pre-sessional course. The course you need to take depends on your current English language test scores and the English language requirements for the degree you wish to study.

If you have an unconditional offer but still want to practise your English skills, you could take our shorter course.

The course will help with your English language skills, and will also prepare you for academic life at York. We have both online and on-campus courses available.

If you are applying for a pre-sessional English language course and require a Student Visa, you must take a UK government-approved Secure English Language Test.

After you have accepted your offer to study at York, we will confirm which pre-sessional course you should apply to online via You@York.

See further information: york.ac.uk/presessionals

Teaching and assessment
Academics who are leaders in their fields design our courses to inspire and support you to graduation and beyond.

Academic support
You will get the guidance you need from your tutors and academic supervisor and through assessment and feedback, such as coursework, projects, group work and exams.

Flexible options
Many courses allow you to pursue areas of interest by choosing from optional modules within your degree, or in some cases from another subject.

Assessment methods
Assessment methods vary by subject area and module. A combination of examinations, practical work, essays, dissertations, project work and oral assessment may be used.

Tailored teaching styles
You may attend small group tutorials, as well as larger group seminars and lectures, depending on your course. Many modules feature online resources and self-directed learning methods to use out of the classroom.
Before you apply to a course, read our detailed guidance on fees, funding and living costs: york.ac.uk/study/international/fees-funding

Tuition fees
International tuition fees depend on the type of course and whether the course is classroom – or lab-based. For 2022 entry to York, international tuition fees range from £18,900 to £26,930 (excluding Medicine). A full list of our tuition fees can be found on our website.

Masters fee discount
Once you have successfully completed a York undergraduate degree, you could be eligible for a ten per cent tuition fee discount on a Masters degree at York.

Annual fee increases for international students
If you are an international student and your course is longer than one year, you should be aware that the tuition fee in following years will be subject to annual increases. You should take this
into account in your financial planning. The fees quoted in your offer letter are normally for one year of study. Fees are subject to increase in subsequent years in line with the prevailing Consumer Price Index (CPI) inflation rate (up to a maximum of 10%).

**Funding support**

As a university for public good, York offers a wide range of scholarships and awards to help talented students from all backgrounds achieve their goals. As well as offering subject and country specific awards, the University recently launched two new scholarships to celebrate its 60th anniversary.

**Undergraduate Be Exceptional Anniversary Scholarships**

The Be Exceptional Anniversary Scholarships offer a £7,500 tuition fee discount to help high-achieving undergraduate students flourish. **Applications are open from 9 January to 12 June 2023.** Find out more: york.ac.uk/study/international/fees-funding/be-exceptional-scholarships

**Postgraduate 60th Anniversary Scholarships**

York's 60th Anniversary Scholarships offer a £5,000 tuition fee discount to high-achieving postgraduate students. Applications from all offer-holders will be automatically considered and successful awardees will be notified in two rounds on 21 April 2023 and 7 July 2023, based on the date of application. Find out more: york.ac.uk/study/international/fees-funding/pg-anniversary-scholarships

**Living costs**

For 2023 entry to York, we estimate you will need a budget of between £8,992 – £13,480 (undergraduate) and £10,429 – £15,180 (postgraduate) per year, depending on your type of accommodation and lifestyle. See our living costs web pages for more information: Undergraduate york.ac.uk/study/undergraduate/fees-funding/living-costs

Postgraduate www.york.ac.uk/study/postgraduate-taught/fees/living-costs

**Work while you study**

You could take on a part-time job, such as becoming an International Student Ambassador, to help cover costs, develop skills and strengthen your CV. If you are on a full-time Student Visa you can work up to 20 hours per week in term-time.
APPLYING: UNDERGRADUATE

Here is your quick guide to applying. You should also read our detailed guidance: york.ac.uk/ug-apply

1. **Check the entry requirements**

Find requirements for your country: york.ac.uk/yourcountry. See the course web page for the entry requirements.

2. **Explore funding options**

Various funding options are available to help with tuition fees and living costs. Be sure to check the funding application deadlines.

3. **Complete your application**

Prepare your personal statement and apply online at: ucas.com

4. **Track your application**

You can track your application online via UCAS Hub. There are two types of offer you might receive from us:

- Conditional – you still need to meet some or all of the conditions of your offer
- Unconditional – you have secured your place.

---

**Important information**

**Interviews**

Some departments may require you to submit samples of work or attend an interview.

**Language requirements**

If you are a non-native English-speaking applicant you must provide evidence of your English language ability. If you need to meet a language condition, you may be able to take a pre-sessional language course for entry to your chosen degree. More information: york.ac.uk/ug-apply

**International pathway courses**

If you do not meet the entry requirements, some of our courses offer you the opportunity to prepare for entry via a Foundation Certificate programme. More information: york.ac.uk/ipc
5. **Read the terms and conditions**

If your application is successful, you will be notified of your offer via email. If you have been awarded funding, ensure you have read the terms and conditions in your award letter too.

6. **Submit documents**

You may need to submit the necessary documents to meet any conditions of your offer.

7. **Apply for accommodation**

Key dates: york.ac.uk/accommodation

8. **Apply for your visa**

If you require a Student Visa to study in the UK, you will need a Confirmation of Acceptance for Studies (CAS). You can request your CAS after you have accepted an offer. We can issue your CAS once your offer becomes unconditional, and not longer than six months before your course starts.

9. **Enrol online**

In August, once your place is confirmed, we will email you about how to set up your IT account and complete enrolment.

10. **Prepare to join us at York**

Find out what to do before you arrive and learn about our free airport collection service from Manchester: york.ac.uk/international-new
APPLYING: POSTGRADUATE

Here is your quick guide to applying. You should also read our detailed guidance: york.ac.uk/pg-apply

1. Check the entry requirements

Typically you will need the equivalent of a UK 2:1 honours degree for postgraduate courses and possibly a Masters as well for some research degrees. Find requirements for your country: york.ac.uk/yourcountry

You can also find the entry requirements for your chosen course on the course web page.

2. Check the deadline

Generally, applications can be submitted year-round – apply early, as entry is competitive. Some courses have different deadlines throughout the year.

3. Explore funding options

Various funding options are available to help with tuition fees and living costs. Be sure to check the funding application process and deadlines.

4. Complete your application

Prepare a personal statement, supply your supporting documents and submit your application online. We do not charge an application fee.

5. Track your application

You can track your application online and upload any final supporting documents via You@York.

6. Read the terms and conditions

If your application is successful, you will be notified of your offer via email. There are two types of offer you might receive from us:

- Conditional – you still need to meet some or all of the conditions of your offer
- Unconditional – you have secured your place at York.

Your offer letter will be available online at You@York. If you have been awarded funding, ensure you have read the terms and conditions in your award letter too.

7. Apply for accommodation

Further information on accommodation options and for key dates: york.ac.uk/accommodation
8. **Apply for accommodation**

If you require a Student Visa to study in the UK, you will need a Confirmation of Acceptance for Studies (CAS). You can request your CAS after you have accepted an offer. We can issue your CAS once your offer becomes unconditional (and for most postgraduate taught courses, after you have paid the tuition fee deposit) and not longer than six months before your course starts.

9. **Enrol online**

Once you have accepted an unconditional offer, we will email you about how to set up your IT account and complete enrolment. This will usually arrive around six weeks before your course starts.

10. **Prepare to join us at York**

Find out what to do before you arrive and learn about our free airport collection service from Manchester: york.ac.uk/international-new
Important information

Applying for a research degree
If you are applying to a research degree you should visit department web pages and contact potential supervisors to discuss research areas before you apply. This will help to ensure a proper match between you and your prospective supervisor.

You will also need to prepare a research proposal with your application. It must outline the topic of your proposed research and the questions it addresses.

What supporting documents do I need?
You will need to supply us with:
- An academic transcript
- Evidence of your English language ability (if you are a non-native English-speaking applicant)
- CV (optional)
- Evidence of financial support (if applicable)
- Details of your referees (if requested).

Some courses also require a sample of your written work to further demonstrate your suitability. Find out more: york.ac.uk/pg-written-work-requirements

Language requirements
If you need to meet a language condition, you may be able to take a pre-sessional language course for entry to your chosen degree. More information: york.ac.uk/pg-apply

Pre-Masters pathways
If you do not meet the entry requirements, some of our Masters courses offer you the opportunity to prepare for entry via an international Pre-Masters course. More information: york.ac.uk/ipc

## POSTGRADUATE COURSES

Unless stated otherwise, courses last one year full-time (PGCert, PGDip and taught Masters); two years for MPhil and three years for PhD.

Some of our courses are available via online and distance learning.

If you require a Student Visa to study in the UK, you must be studying full-time. Search our courses: www.york.ac.uk/study/postgraduate/courses/all

Green Chemistry and Sustainable Industrial Technology MSc

**Computer Science**

- Advanced Computer Science MSc
- Computer Science MSc (by research)/MPhil/PhD/PhD (by distance learning)
- Cyber Security MSc
- Human-Centred Interactive Technologies MSc
- Intelligent Games and Game Intelligence PhD (FT 4 years)
- Safety Critical Systems Engineering MSc/PGDip
- Social Media and Interactive Technologies MSc
- System Safety Engineering PGCert
- System Safety Engineering with Automotive Applications MSc (PT 4 years)

**Economics and Related Studies**

- Development Economics and Emerging Markets MSc
- Econometrics and Economics MSc
- Economic Evaluation for Health Technology Assessment (HTA) MSc (by distance learning) (PT 1–2 years)
- Economics MSc/MPhil/iPhD
- Economics and Finance MSc
- Economics and Public Policy MSc
- Finance MSc
- Finance and Econometrics MSc
- Financial Engineering MSc
- Health Economics MSc, PhD
- Health Economics for Health Care Professionals
- PGCert (by distance learning)
- PGDip (by distance learning) (PT 1–2 years)
- Project Analysis, Finance and Investment MSc
- Philosophy, Politics and Economics MPhil/PhD

**Education**

- Applied Linguistics PhD
- Applied Linguistics for English Language Teaching MA
- Applied Linguistics for Language Teaching MA
- Education MA/PhD/PhD (by distance learning)
- Global and International Citizenship Education MA
- Mental Health and Wellbeing in Education MSc
- Postgraduate Certificate in Education PGCE
- Psychology in Education MSc
- Social Justice and Education MA
- Teaching English to Speakers of Other Languages (TESOL) MA/PhD/PhD (by distance learning)
## Eighteenth Century Studies

- Eighteenth Century Studies MA
- Literature of the Romantic Period, 1775–1832 MA

## Electronic Engineering

- Audio and Music Technology MSc
- Communications Engineering MSc
- Digital Systems Engineering MSc
- Electronic Engineering MSc (by research)/MPhil/PhD
- Embedded Wireless Systems MSc
- Engineering Management MSc
- Intelligent Robotics MSc
- Music Technology MSc (by research)/MPhil/PhD

## Environment and Geography

- Corporate Sustainability and Environmental Management MSc
- Environment MSc (by research)
- Environment and Politics PhD
- Environmental Economics and Environmental Management
- MSc/MPhil/PhD/PhD (by distance learning)
- Environmental Geography MPhil/PhD/PhD (by distance learning)
- Environmental Science MPhil/PhD
- Environmental Science and Management MSc
- Human Geography and Environment MPhil/PhD/PhD (by distance learning)
- Marine Environmental Management MSc
- Sustainable Business: Leadership, Innovation and Management MSc
- Sustainability Science MSc
- Sustainability Studies MA

Find out more About our courses
These are just some of the many research areas covered by our departments and centres. You can find more information and current PhD opportunities on our website. Search our courses: www.york.ac.uk/study/postgraduate/courses/all

**Archeology**
- African Archaeology
- Bioarchaeology
- Digital archaeology
- Experimental Archaeology
- Field Archaeology
- Heritage and conservation
- Material cultures
- Medieval and historical archaeology
- Prehistory and human evolution
- Theory and practice
- See also Eighteenth Century Studies and Medieval Studies.

**Biology**
- Biochemistry and biophysics
- Bioinformatics and mathematical biology
- Cell and developmental
- Ecology and evolution
- Immunology, haematology and infection
- Industrial biotechnology
- Microbiology
- Molecular and cellular medicine
- Plant biology

**Chemistry**
- Analytical
- Atmospheric
- Energy research
- Environmental
- Green
- Inorganic
- Molecular materials
- Organic
- Photochemistry and spectrometry
- Physical
- Structural biology

**Computer Science**
- Analytics
- Artificial intelligence
- Digital games
- Esports
- Machine learning
- Natural language processing
- Beyond human vision
| Computer vision                                      |               |
| Image processing and analysis                       |               |
| Pattern recognition                                  |               |
| Critical systems                                     |               |
| Cyber physical systems                               |               |
| Cyber security                                       |               |
| Large-scale enterprise systems                       |               |
| Safety-critical and real-time systems                |               |
| People, health and wellbeing                        |               |
| Accessibility and inclusive design                   |               |
| Health informatics                                   |               |
| Human–computer interaction                          |               |

**ECONOMICS AND RELATED STUDIES**

| Applied microeconometrics                            |               |
| Econometrics                                         |               |
| Economics theory                                     |               |
| Finance                                              |               |
| Health economics                                     |               |
| Historical economics                                 |               |
| Macroeconomics                                       |               |
| Political economy                                    |               |

**EDUCATION**

| Education and social justice                         |               |
| Language learning and use                            |               |
| Psychology in education                              |               |
| Science education                                    |               |

**EIGHTEENTH CENTURY STUDIES**

| Archaeology                                          |               |
| Estate and designed landscapes                      |               |
| Material culture                                     |               |
| Urban environments                                   |               |
| English                                              |               |
| Gothic literature, drama and orientalism             |               |
| Print culture, sociability and literary networks     |               |
| Romantic literature: science, medicine and urban culture |           |
| Women’s writing                                      |               |
| History                                              |               |
| Histories of race, empire and ethnicity              |               |
| Science and medicine                                 |               |
| Social and cultural history of war                   |               |
| History of Art                                       |               |
| Architecture                                         |               |
| British sculpture                                    |               |
| Landscape and marine painting                        |               |
| See also Archaeology, English and Related Literature, History and History of Art. | |

**ELECTRONIC ENGINEERING**

| Communication technologies                           |               |
| Applied electromagnetics and devices                 |               |
| Audio and acoustics                                  |               |
| Communications systems and protocols                 |               |
| Signals and waveforms                                |               |
Engineering education and management
Engineering education
Entrepreneurship and intrapreneurship
Skills frameworks
Intelligent systems and nanoscience
Adaptive devices and architectures
Biomolecular electronics
Computational biomedical systems
Next-generation nanoscale technologies

ENGLISH AND RELATED LITERATURE
Eighteenth century and Romantics
Medieval
Modern
Renaissance
See also Eighteenth Century Studies and Medieval Studies.

ENVIRONMENT AND GEOGRAPHY
Pollution
Climate change
Contaminants
Ecology
Ecotoxicology
Environmental chemistry
Developing innovative solutions to environmental challenges
Energy
Environmental management
Environmental policy

Food security
Natural resources
Planning
Sustainability
Understanding the causes and consequences of environmental change
Biodiversity
Conservation
Ecology
Ecosystem services
Glaciology
Palaeoecology
Sea-level change
See also Global Development.

Global Development
Environmental degradation
Global justice
Sustainability

HEALTH ECONOMICS
Econometric methods
Economic evaluation of health technologies
Equity in health and healthcare
Global health
Health and social care
Health policy
Public health
Health Sciences
Cardiovascular health
Epidemiology and cancer statistics
Health services and policy
Mental health and addiction
Public health and society
Trials and statistics

History
Asia and Middle East
Early modern
Eighteenth century
Medieval
Modern Europe (including Britain and Ireland)
Public history and policy
Religion
Science, technology, environment, medicine
The Americas
See also Eighteenth Century Studies, Global Development and Medieval Studies.

History of Art
Architectural history and theory
British art
Film and new media
Medieval art and medievalisms
Modern and contemporary
Renaissance and Baroque

Human Rights
Cultures of human rights practice
Economic, social and cultural rights
Human rights and development
Human rights cities
Human rights defenders
Legal empowerment
Non-state actors and international law
Refugee law and policy
Responsibility to protect
Transitional justice
See also Law and Politics.

Language and Communication
Conversation analysis
Cross-linguistic differences
Developing new methodologies
Language in particular settings

Language and Linguistic Science
Forensic speech science
History of English
Phonetics and phonology
Psycholinguistics
Sociolinguistics
Syntax and semantics
### Law
- Critical Corporate and Financial Law
- Critical corporate law
- Financial crime
- Sustainability
- Administrative Justice
- Street-level administrative decision-making
- Digital administrative justice
- The citizen’s perspective
- Private Law in Context
- Art law
- Commercial trusts
- Intellectual property
- Rights, Equality, Citizenship and Empowerment
- EU citizenship and welfare rights
- Human rights
- Refugees, displacement and free movement
- Health and Wellbeing
- Bioethics
- Health care law and ethics
- Mental health
- Law, Justice and Power
- Administrative decision-making
- Crime, protest, and policing
- Social welfare and housing law

### Management
- Accounting
- Actuarial science
- Business history
- Employment relations
- Finance
- Human resource management
- International business and strategy
- Marketing
- Operations management
- Organisational behaviour

### Mathematics
- Algebra
- Geometry and analysis
- Mathematical biology and chemistry
- Mathematical finance and stochastic analysis
- Mathematical physics
- Number theory
- Statistics and probability

### Medicine
- Anatomical and human sciences
- Atherothrombosis and metabolic disease
- Cancer research
- Cardiology research
- Clinical trials and methods
- Diabetes, endocrinology and metabolism
Experimental medicine and biomedicine
Health and population sciences
Health professions education
Mental health and addiction
Palliative care
Primary care
Respiratory research
Vascular research

**Medieval Studies**

Archaeology
Art and architectural history
Codicology
History (social, economic, political, cultural, ecclesiastical, intellectual and gender)
Islamic world
Literature (including Old and Middle English, Old Norse, Latin, Italian, French)
Palaeography
Science (history, reception and application)
Viking studies

See also Archaeology, English and Related Literature, History and History of Art.

**Modern Studies**

Archiving the city
Creative dissonance: writing now
Medievalism and imperial modernity

Modernity, creativity and innovation
Modernist peripheries: fringes and frontiers
Truth claims, activism and cultural practice
World systems

**Music**

Church music
Community music
Composition (acoustic and electroacoustic)
Contemporary music
Guide for international students 35
Jazz and improvised music
Music education
Music production
Music psychology
Music technology
Music, science and technology
Musicology and analysis
Performance

See also Eighteenth Century Studies and Medieval Studies.
**Philosophy**

Aesthetics, art and literature
History of philosophy
Metaphysics (including philosophy of mathematics)
Phenomenology and continental philosophy
Philosophy of medicine and health
Philosophy of mind and perception
Philosophy of religion (especially analytic theology)
Political philosophy
Theoretical and applied ethics

**Physics**

Physics of Life: biological physics and biophysics
Condensed matter physics
Nuclear physics
Plasma physics and fusion
Quantum theory and quantum technologies

**Politics**

Comparative politics
Contemporary political theory
Environmental politics
Gender politics
Global development
History of political thought
Human rights

International political economy
International security
Migration
Peace-building
Public policy
See also Global Development and Human Rights.

**Psychology**

Language, memory and cognition
Development and cultural processes
Vision and face perception

**Renaissance and Early Modern Studies**

Editing and performance
Materiality, embodiment and the senses
Neapolitan history, topography and culture
Shakespeare
Soundscapes in early modern culture
Space, landscape and the environment
The court cultures of England, Italy, Holland and France
The history of the book, the history of religion and the history of ideas
The reading of history in Elizabethan England
Uses of the past
Violence and crime
