Proposed research topic (only applicable for MPhil/PhD/Integrated PhD/Masters by Research courses)

Proposed Research Title:	
--------------------------	--

If you're applying for a research degree, you should provide an outline of your proposed research topic, indicating whether you are interested in the work of a particular member of academic staff.

Please download and complete the “outline for of Proposed Research Topic” Form and include with your application. The form is available for downloaded at:
<https://www.york.ac.uk/study/postgraduate-research/apply/paper/>

Some departments have specific guidelines as to what you should include in your research proposal. For further information on specific course requirements please visit www.york.ac.uk/study/postgraduate-research/apply/documents/proposal and follow the guidance provided. Otherwise please follow the guidance below.

If you are applying as part of a pre-arranged / advertised research project, please make that clear within your application. If you have already reached agreement with the relevant academic department about a particular project that you will be studying, you need only provide brief details of that project within the application form but you must state the name of the academic member of staff that you have been in contact with.

Personal Statement

Normally your personal statement should be between 500 and 1000 words; however some courses have specific requirements. Please visit www.york.ac.uk/study/postgraduate/apply for further information.

Your personal statement must be written in English and in your own words

You might wish to include:

- Your interest in, and suitability for the programme
- A brief outline of your relevant experience
- Information about your extra-curricular activities and hobbies
- Your career plans

Academic / Professional References

For **taught masters courses** (MSc, MA, PG Dip, PG Cert, MRes) you are required to provide the details of one academic reference. With the exception of the Hull York Medical School programmes, your referee may be contacted for a reference if further assessment is needed on your application.

For **research degrees** (PhD, Phil, MA/MSc by research) you are required to provide two academic references.

References are an important part of the selection process for postgraduate study. It is therefore in your interest to make sure that your reference(s) are both appropriate and informative. Normally, we would expect you to provide an academic reference if you have graduated within the last five years. However, if you graduated more than five years ago then alternative professional reference(s) will be considered. Professional references could come from your employer, a senior member from a voluntary organisation, or a recognised society.

If you already have your academic reference(s) on official, headed paper and signed then please enclose the reference(s) with this application.

Otherwise please provide the name(s), contact detail(s) and your relationship to your referee(s). If you include an email address, your referee(s) will be contacted directly by automated email and asked to provide a reference for you.

Should you referee(s) not have an email address, or prefer not to be contacted by email, we will assume that you have asked them to send us a reference directly by post or fax. Please provide them with a copy of our Guidance for Academic / Professional References, available for downloading at:

www.york.ac.uk/media/study/documents/postgraduate/academic_references_guidance.pdf

If you are experiencing difficulty in obtaining a suitable reference, please contact the Postgraduate Admissions Office for further assistance (contact details can be found at the end of this form).

Financial Support

Please indicate how you intend to finance your studies (tuition fees and living expenses). *If you are being sponsored please include confirmation of sponsorship with your application. (A letter from your sponsor confirming sponsorship is recommended).*

How do you intend to finance your studies?	Self-funded <input type="checkbox"/> Sponsorship <input type="checkbox"/>
If you are being sponsored please can you tell us who is sponsoring you?	

In most cases you're not required to submit evidence of funding. A small number of courses require evidence, for example a bank statement or sponsor's letter. Where applicable you'll be asked to submit this as part of your application.

The expectation is that you'll make satisfactory arrangements before entry for your financial support, both for tuition fees and living expenses, for the whole period of your proposed course at the University.
