Other (please state):		

We are committed to supporting people with disabilities including: physical disability, health conditions, mental health disability or specific learning difficulty (such as dyslexia), or any additional requirement that might affect a student's studies, examination or assessment and for which support might be needed.

If you would like information on such support please tick here and we will send you details.

Your Personal Information

As an OpenPlus applicant/student, you will have a relationship with both The Open University and the University of York. Both The Open University and the University of York are data controllers, this means that both universities will decide why and how your personal information is processed.

The Open University privacy notice sets out how The Open University use your personal data:

<http://www.open.ac.uk/students charter/essential-documents/student-privacy-notice>

The University of York privacy notice sets out how the University of York use your personal data:

<https://www.york.ac.uk/about/legal-statements/>

<https://www.york.ac.uk/records-management/dp/your-info/students/>

In addition to the privacy notices above, information you provide is shared between The Open University and the University of York for the purposes of managing, monitoring and evaluating the OpenPlus scheme. This will include your application, results and progress on the scheme.

We will also share information you provide to support a request in relation to resitting an examination, delaying progression, or changing your agreed study pathway.
