BASED IN YORK: A POPULAR STUDENT CITY WITH A GREAT MIX OF OLD AND NEW
GET TO KNOW THE UNIVERSITY

Prestigious education
At the University of York, you’ll get an education that will help you stand out. With consistently excellent rankings both nationally and worldwide, the University has a superb international reputation. This is why York degrees are valued so highly by employers - as a York graduate, you’ll have a great career advantage.

International experience
You will quickly feel at home at York. From your first day, you’ll benefit from a fantastic support network, including guaranteed accommodation for the whole of your degree.* And you won’t be alone: the University has an incredibly diverse campus community, welcoming staff and students from more than 170 countries.

Research powerhouse
As a member of the elite Russell Group of universities, York is one of the world’s premier institutions for life-changing research. Its research impact was also ranked 10th out of 155 higher education institutions in the 2014 Research Excellence Framework†. With this expertise, you’ll benefit from state-of-the-art facilities, great teaching, and the University’s strong links with leading global companies such as IBM, Mercedes-Benz and Microsoft.

* Excludes work placements and years studying abroad
† Times Higher Education, excluding specialist institutions which have submitted fewer than four units of assessment

HOW CAN I STUDY AT YORK?

[Image: People studying and walking on campus with text indicating diverse campus environment and support network.]

Meet people from around the world
Learn from experts

YORK IS AMONG THE BEST UNIVERSITIES IN THE UK, AND IN ONE OF THE COUNTRY’S MOST HISTORIC CITIES. IT CONSISTENTLY RANKS TOP 20 NATIONALLY, SO YOU’LL RECEIVE NOT ONLY A GREAT EDUCATION, BUT ALSO A REAL ADVANTAGE WHEN YOU START YOUR CHOSEN CAREER.
The University of York offers you a safe campus in a vibrant, student-friendly city. Here, you can study in a beautiful environment with modern facilities, and be part of a diverse university community.

Ideal campus environment
The University has an attractive campus with over 500 acres of green parkland, lakes and woodland, plus a mix of modern and historic buildings. Based just outside the medieval city of York, the campus is also full of wildlife – you can find ducks, swans, rabbits and geese here!

Everything you need
You'll have so many ways to fill your time at York; the campus has a wide range of study and leisure facilities. The University has invested £500 million in libraries, study spaces, IT suites, halls of residence, sports facilities and more. When you’re not writing essays or revising for exams, you can make use of on-campus shops, restaurants, cafés and bars, or explore the city centre.

Join the fun
Outside of studying, there is so much to get involved in at the University of York. The Students’ Union runs more than 180 societies for all kinds of interests. If you love staying active and healthy, there are over 60 sports clubs to join, so you’re sure to find an activity you enjoy.

CAMPUS LOCATION
The University of York campus has two areas – Campus West and Campus East. They’re a short walk from each other, and each has its own modern facilities. You’re also just a quick cycle ride or bus journey from York city centre. In town, the historic King’s Manor is home to the Department of Archaeology and several study and research centres.
YORK IS RENOWNED FOR ITS RICH HISTORY AND HERITAGE, AND WALKING ITS STREETS FEELS LIKE YOU’RE STEPPING BACK IN TIME. IT’S ALSO A THRIVING MODERN CITY THAT’S SAFE FOR STUDENTS AND ATTRACTS VISITORS FROM AROUND THE WORLD.

Incredible history
York’s important place in British history is clear as soon as you arrive. The huge York Minster, one of the largest Gothic cathedrals in the world, dominates the city’s landscape.

York was an important seat of power in both the Roman and Medieval eras, and one Roman Emperor was even crowned in the city. This past is still evident here today, most clearly from York’s famous city walls.

Superb shopping
York’s cobbled streets and medieval buildings may seem like something from a historic film, but the city is in fact a paradise for modern shoppers, and you won’t be disappointed.

There are many different shops here, ranging from department stores to designer outlets. Shambles Market is also popular, offering you everything from North African street food to imported cosmetics and clothing.

Full of culture
York’s exciting cultural events include productions at the York Theatre Royal and horse racing at York Racecourse.

You have so much to see and do in York: food and drink festivals, Science Week and a Christmas Market, as well as a popular Viking Festival – York historically having the Norse name “Jorvik”. You can explore the city’s exciting Viking history at Jorvik Viking Museum, one of several museums that examine York’s important past.

Travel opportunities
In York, you’ll be well placed to experience the rest of the UK. The nearby Yorkshire countryside is beautiful and easy to visit.

For an exciting day out, London is under two hours away by train. The major cities of Leeds and Manchester are even closer, and each has its own airport with flights to many parts of Europe.

If you want a weekend away, you can get to Edinburgh easily by rail, and discover incredible Scottish history and scenery.

LEARN MORE ABOUT LIFE IN YORK
kaplanpathways.life/york
I’ve made a lot of international friends. I live with many of them in the same accommodation and we go to classes together, which is great. My favourite memory so far is a movie night that I spent with my friends – I had lots of fun!"

Hana Awachi from Bahrain
Student at the University of York
International Pathway College

Careers advice
A York degree is already a valuable asset when you look for jobs, but the University offers extra services to help you decide on your future career. You can receive expert advice on how to plan ahead, both as a student and as a graduate.

A degree that creates opportunities
Your time at the University of York will have a big impact on the rest of your life. You’ll get an excellent education, which will give you a great advantage when you graduate and start a career that could take you anywhere. As the map shows, York alumni come from 150 countries all over the world, and go on to achieve truly incredible things.
HOW CAN I STUDY AT YORK?
YOUR ROUTE TO YORK

YOU HAVE A RANGE OF WAYS TO ENROL AT THE UNIVERSITY OF YORK. IF YOU’D LIKE TO GAIN A PRESTIGIOUS YORK DEGREE, A PATHWAY COURSE CAN HELP YOU QUALIFY FOR ENTRY, AND GIVE YOU THE SKILLS YOU NEED TO SUCCEED.

What is a pathway course?
If you’ve finished high school, a pathway course can help you get into a UK Bachelors degree. Similarly, if you’ve completed at least three years of higher education, a pathway course can be your route to a UK Masters degree. In both cases, the course will bridge the gap between your current qualifications and your degree entry requirements, and give you a solid base for success at university.

You’ll take your pathway course on campus at the University of York International Pathway College. The course will give you the study skills, language ability and academic knowledge you need to progress to your degree requirements, and give you a solid base for success at university.

The courses to the right are taught at the University of York International Pathway College.

Pre-Sessional English
For students who:
- hold an offer for a UK university degree*, and who either need to, or want to, improve their English language level; or
- wish to apply for a University of York degree, but need to improve their level of English to qualify

* Please check with your destination university whether the qualification is accepted as preparation for your chosen degree

Foundation Certificate
For students who’ve completed high school or equivalent, but don’t quite qualify for their chosen Bachelors degree.

Pre-Masters
For students who have completed a Bachelors degree or equivalent, and need extra preparation to qualify for their chosen Masters degree.

Pre-Sessional English
For students who:
- hold an offer for a UK university degree*, and who either need to, or want to, improve their English language level; or
- wish to apply for a University of York degree, but need to improve their level of English to qualify

* Please check with your destination university whether the qualification is accepted as preparation for your chosen degree

PREPARE FOR YOUR DEGREE

THE UNIVERSITY OF YORK INTERNATIONAL PATHWAY COLLEGE OFFERS YOU ON-CAMPUS PATHWAY COURSES, LEADING TO DEGREES AT THE UNIVERSITY. THESE COURSES WILL DEVELOP YOUR EXISTING SKILLS AND QUALIFICATIONS, AND BRING YOU TO THE LEVEL YOU NEED TO START YOUR DEGREE.

Exceptional resources
At the International Pathway College, you’ll have access to excellent resources and state-of-the-art facilities. You can also make the most of everything offered by the University, including libraries, IT suites, study spaces, the Students’ Union and York Sports Village. You’re just like a degree student from day one!

Social setting
You’ll receive dedicated care and support during your time at the Pathway College, including a fun-filled Welcome Week when you arrive. This is a great way to get to know other Pathway College students. You can also enjoy social activities that we organise throughout the year, allowing you to settle in and make friends.

Full preparation
With high-quality facilities and talented teaching staff, you can be confident that your pathway course will fully prepare you for your degree. Courses are tailored to the needs of international students, and staff will do everything they can to ensure you successfully progress to your University of York degree.

OUR GUARANTEE
When you study at the International Pathway College, you are guaranteed entry to a University of York degree if you pass at the required level, with good attendance.

SEE MORE ABOUT THE PATHWAY COLLEGE ONLINE
kaplonpathways.com/york

We’re so pleased that you’re thinking about studying at the International Pathway College. Our great teachers and support staff will help you to achieve your very best, and to succeed on your degree at the University of York. We look forward to welcoming you to campus!”

Dr Matthew Perry
Director at the University of York International Pathway College
**TEACHING YOU CAN TRUST**

High-quality teaching can transform lives. At the International Pathway College, you’ll get excellent support and a specially designed study programme.

---

**Expert teachers**
The best teachers are those who can inspire their students, and who have in-depth knowledge in their field. While at the Pathway College, you’ll be taught by University of York staff who are highly respected academic experts, with many years of experience in their subjects.

**Tailored support**
At the Pathway College, you’ll take a course that has been specifically designed for international students. Your teachers will focus on improving your subject knowledge, academic skills and English language level, preparing you for your University of York degree. Tutors often tailor the module content to the needs of their students, and will monitor your progress with assessments and reports.

---

**REAL-LIFE TEACHING AT THE INTERNATIONAL PATHWAY COLLEGE**

On their Pre-Masters, students were asked to examine the corporate culture of a business from their home country. One group chose to study the practices and policies of a famous chain restaurant in China. By applying theories and concepts they learnt in lectures and seminars to something familiar, the students were quickly able to understand complex ideas, and adapt to the British style of university education.

---
Before you arrive
We’ll begin supporting you even before you come to the UK. When you accept your offer to study, we’ll send you a useful pre-arrival pack of essential information about studying in York. If you’re under 18 years old, we can arrange a UK guardian during your studies for your wellbeing.

After you arrive
When you land in the UK, we can meet you at the airport and take you directly to your accommodation. We want to be sure that you’re happy and comfortable, so that you have the best possible start to your York experience.

Ongoing support
At the Pathway College, we’ll continue to support you throughout your course, as your wellbeing is our top priority. We’ll also organise frequent events, trips and social activities to make your time here enjoyable. You’ll leave with fantastic memories and new friends, and you’ll feel confident on campus.

Progressing to your degree
When you finish your pathway course, we’ll help you on your next big step: continuing on to your degree at the University of York. We’ll advise you on extending your visa, and explore your study options if necessary.

LEARN MORE AND WATCH VIDEOS ABOUT STUDENT SUPPORT SERVICES
kaplanpathways.life/york-support
IT’S VITAL YOU HAVE A PRIVATE SPACE THAT’S YOUR HOME AWAY FROM HOME.
AND THAT’S EXACTLY WHAT THE INTERNATIONAL PATHWAY COLLEGE OFFERS:
COMFORTABLE, HIGH-QUALITY HOUSING FOR INTERNATIONAL STUDENTS.

Guaranteed accommodation
You are guaranteed housing during your time at University of York International Pathway College*, and for the full length of your York degree†. It’s our way of making sure you have a happy living environment while you study here.

Comfortable living
You’ll have a private room with a desk, chair and comfortable bed, giving you a quiet place to study, relax and sleep. You’ll also have a private bathroom, plus access to a shared kitchen and dining area, meaning you can easily make new friends when you arrive.

Live on campus
As a York student, you’ll be a member of a residential college community on campus, which will provide you with an immediate support network. There are many events and activities throughout the year, so you will meet lots of people. You’ll live close to your new friends, making it easy to meet up at nearby campus restaurants, shops and cafes. The University facilities, including the library, sports facilities and Students’ Union, are just minutes away. The city centre is also easily accessible from your new home.

WHAT’S INCLUDED?
• Your own private bedroom
• Private bathroom facilities
• All electricity and water bills
• WiFi
• Shared kitchen and dining area
• Student bedding pack

Example accommodation prices
Prices depend on your course length and accommodation choice.

<table>
<thead>
<tr>
<th>Intake</th>
<th>Course length (contract length)</th>
<th>Approximate prices‡</th>
</tr>
</thead>
<tbody>
<tr>
<td>Autumn 2018</td>
<td>2 terms (37 weeks)</td>
<td>£6,170</td>
</tr>
<tr>
<td></td>
<td>4 terms (48 weeks)</td>
<td>£7,930–£8,650</td>
</tr>
<tr>
<td>Spring 2019</td>
<td>2 terms (33 weeks)</td>
<td>£5,530</td>
</tr>
</tbody>
</table>

Please note that all students become a member of one of York’s residential colleges throughout their pathway course and degree. A college fee of £10 per year (up to a maximum of £30 for a course lasting three years or more) is payable by all students.

‡ Pricing and contract length examples are an illustration. Confirmed pricing for each intake will be available on our website once the relevant booking period opens.
"On the condition that you pay your tuition deposit, accept your study offer and submit the online accommodation form before the deadline for your intake.
Excludes work placements and years studying abroad.

HOW TO BOOK YOUR ACCOMMODATION
You can apply for accommodation at the same time that you apply for your pathway course.

1. Indicate on the Pathway College application form that you require accommodation.
2. After receiving your study offer, book your accommodation by completing the online form and paying the holding fee (typically £1,000) when you accept your offer.
3. You’ll then receive your accommodation agreement. Read, sign and return this to reserve your room.

* On the condition that you pay your tuition deposit, accept your study offer and submit the online accommodation form before the deadline for your intake.
† Excludes work placements and years studying abroad.
OFF-CAMPUS STUDY CENTRE

IT’S ALSO POSSIBLE TO PROGRESS TO THE UNIVERSITY OF YORK THROUGH A PATHWAY COURSE AT KAPLAN INTERNATIONAL COLLEGE (KIC) LONDON. YOU CAN PREPARE IN THE UK’S CAPITAL CITY BEFORE TRANSFERRING TO THE UNIVERSITY OF YORK FOR YOUR DEGREE.

KIC LONDON

Two locations; one great experience

Studying your pathway course at KIC London, then your degree at the University of York, lets you experience two fantastic but very different British cities. You’ll see more of the UK, and have a hugely rewarding study experience.

Great facilities and support

KIC London has everything you need to succeed on your pathway course. With high-tech computer facilities, group study spaces, lecture theatres and free WiFi, the College offers a modern and social study environment. It’s also a great place to meet other international students, and you’ll be fully supported at every stage of your study experience.

Superb location

The College is situated on the south bank of the River Thames, right in the centre of London. There are many iconic attractions nearby, such as the Shard, the Globe Theatre and the Tate Modern art gallery. The rest of London is easy to explore, with world-class shopping and entertainment on nearly every corner.

- Statistics

For a full list of degree options, see page 48.

CAREER POSSIBILITIES
This educational route can open up many career options for you. You could become a:
- Accountant
- Business Manager
- Data Analyst
- Economist
- Financial Consultant
- Investment Banker
- Media Buyer
- Statistician

Foundation Certificate

Physics, Mathematics, Computing
and Electronic Engineering

at the University of York International Pathway College

COURSE OPTIONS

2 TERMS
Entry requirements: equivalent of UK year 12*, and at least UKVI IELTS 5.5 (minimum 4.5 in all skills)
Course start: September 2018, January 2019
Course length: 7 months
Degree entry: September 2019
Tuition fees: £17,180

3 TERMS
Study additional modules to better prepare you for university. Modules are designed to fit to your English language level.
Entry requirements: equivalent of UK year 12*, and at least UKVI IELTS 5.0 (minimum 4.0 in all skills)
Course start: September 2018
Course length: 10 months
Degree entry: September 2019
Tuition fees: £18,255

* including good grades in Maths at high school level

WHAT YOU’LL STUDY

CORE MODULES
All students on this Foundation Certificate will take:

Advanced Mathematics
• Use mathematical skills to solve problems in physical sciences
• Explore calculus, matrices, vectors, algebra and trigonometry

Physics
• Learn to use physics to explain common phenomena
• Explore subatomic processes, fields, properties of materials, electricity and mechanics

Language and Study Skills 2
• Developing academic English knowledge
• Applying academic style to written and spoken work

Robotics, Programming and Electronics
• Design and programme a robot
• Design and build simple electronic circuits

3-TERM MODULES
If you’re studying a 3-term Foundation Certificate, you’ll also take:

Core Science
• Learn about key scientific concepts and principles
• Explore the most important topics in biology, chemistry and physics

Foundation Mathematics
• Understand the core concepts of mathematics, and mathematical skills
• Learn algebra, calculus and trigonometry

Language and Study Skills 1
• Speaking, reading, writing and listening in an academic context
• Vocabulary, grammar and pronunciation

DEGREE POSSIBILITIES
This Foundation Certificate can lead to a wide variety of degree subjects at the University of York. You could progress to:
• Astrophysics
• Communications Engineering
• Computer Engineering
• Computer Science
• Electronic Engineering
• Mathematics
• Physics
• Statistics

For a full list of degree options, see page 48.

CAREER POSSIBILITIES
This educational route can open up many career options for you. You could become a:
• Astrophysicist
• Computer Engineer
• Cybersecurity Consultant
• Data Scientist
• IT Consultant
• Mathematician
• Physicist
• Systems Engineer

HAVE ANY QUESTIONS?
Contact our team for help: kaplanpathways.study/contact-york
Foundation Certificate in
Business, Law and Social Sciences
at Kaplan International College London

COURSE OPTIONS

2 TERMS
Entry requirements: equivalent of UK year 12, and at least UKVI IELTS 5.5 (minimum 4.5 in all skills)
Course start: September 2018, January 2019
Course length: 6 to 9 months
Degree entry: September 2019
Tuition fees: £15,800

3 TERMS: ENHANCEMENT
Study extra modules to further enhance your academic skills.
Enter requirements: equivalent of UK year 12, and at least UKVI IELTS 5.5 (minimum 4.5 in all skills)
Course start: September 2018, October 2018
Course length: 10 to 11 months
Degree entry: September 2019
Tuition fees: £18,252

LOWER IELTS SCORE?
If your English language level is lower than that listed above, but you have at least UKVI IELTS 4.0 in all skills, you can take a course that includes Extended English and Skills (EES). Contact us for more details about EES.

WHAT YOU’LL STUDY

CORE MODULES
ALL STUDENTS ON THIS FOUNDATION CERTIFICATE WILL TAKE:

Language for Study 2
• English skills in listening, reading, writing and speaking

Skills for Study 2
• Analytical skills in written and spoken information

Language for Study 3
• Complex arguments in English
• Giving evidence of research

Skills for Study 3
• Researching and analysing information to a high standard
• Structuring written and oral arguments

Skills for Study 1
• Presentation, note-taking and essay-writing skills

PATHWAY MODULES
YOU’LL ALSO STUDY MODULES IN ONE OF THE FOLLOWING PATHWAYS. THIS IS DETERMINED BY YOUR UNIVERSITY OF YORK DEGREE SUBJECT.

Business pathway
Business and the Business Environment
• National and international business environment
• Effects of globalisation on internal operations and strategies

Business Enterprise
• Development of economic activity
• The role of culture
• Analysing business performance

Foundation Mathematics
• Algebra, geometry and trigonometry

Foundation Economics
• Theory and practice of how markets operate

Statistics
• Applying statistical knowledge and techniques to real-world problems

Applied Mathematics
• Mathematical modelling and reasoning skills

Law and Social Sciences pathway
Introduction to Legal Principles and Systems
• Legal world of modern Britain
• British legal systems

Introduction to Social Sciences
• Principles of anthropology, sociology, economics and political science

Introduction to Academic Skills
• Key academic skills

Preparatory Mathematics
• Algebra, geometry, trigonometry, graphs and transformations

Business and the Business Environment
• National and international business environment
• Effects of globalisation on internal operations and strategies

Foundation Economics
• Theory and practice of how markets operate

Statistics
• Applying statistical knowledge and techniques to real-world problems

Applied Mathematics
• Mathematical modelling and reasoning skills

CAREER POSSIBILITIES
This educational route can open up many career options for you. You could become a:
• Accountant
• Business Manager
• Criminologist
• Economist
• Financial Trader
• Lawyer
• Management Consultant
• Mathematician
• Policy Planner
• Politician
• Sociologist

Foundation Certificate in Science and Engineering at Kaplan International College London

**COURSE OPTIONS**

**2 TERMS**

**Entry requirements:** equivalent of UK year 12*, and at least UKVI IELTS 5.5 (minimum 4.5 in all skills)

**Course start:** September 2018, January 2019

**Course length:** 6 to 9 months

**Degree entry:** September 2019

**Tuition fees:** £16,500

**3 TERMS: ENHANCEMENT**

Study extra modules to further enhance your academic skills.

**Entry requirements:** equivalent of UK year 12*, and at least UKVI IELTS 5.5 (minimum 4.5 in all skills)

**Course start:** September 2018, October 2018

**Course length:** 10 to 11 months

**Degree entry:** September 2019

**Tuition fees:** £18,660

**3 TERMS: MATHS AND SCIENCE**

Study extra modules to develop basic skills in Maths and Science.

**Entry requirements:** equivalent of UK year 12*, and at least UKVI IELTS 5.5 (minimum 4.5 in all skills)

**Course start:** September 2018

**Course length:** 11 months

**Degree entry:** September 2019

**Tuition fees:** £18,660

**LOWER UKVI IELTS?**

If your English language level is lower than that listed above, but you have at least UKVI IELTS 4.0 in all skills, you can take a course that includes Extended English and Skills (EES). Contact us for more details about EES.

**WHAT YOU’LL STUDY**

**CORE MODULES**

ALL STUDENTS ON THIS FOUNDATION CERTIFICATE WILL TAKE:

**Language for Study 2**
- English skills in listening, reading, writing and speaking

**Language for Study 3**
- Complex arguments in English
- Giving evidence of research

**Skills for Study 1**
- Presentation, note-taking and essay-writing skills

**Skills for Study 2**
- Analytical skills in written and spoken information

**Skills for Study 3**
- Researching and analysing information to a high standard
- Structuring written and oral arguments

**PATHWAY MODULES**

YOU’LL ALSO STUDY MODULES IN ONE OF THE FOLLOWING PATHWAYS. THIS IS DETERMINED BY YOUR UNIVERSITY OF YORK DEGREE SUBJECT.

**Life Sciences pathway**

**Biological Sciences**
- Reproduction, development and metabolism in animals
- Genetic and cellular principles

**Fundamentals of Science**
- States of matter
- Periodic table trends and patterns
- Chemical bonding, chemical energy changes and solutions

**Science and Engineering pathway**

**Applied Mathematics**
- Mathematical modelling and reasoning skills

**Foundation Mathematics**
- Algebra, geometry and trigonometry
- Vectors
- Differentiation and integration

**Basic Engineering**
- Fluid mechanics
- Thermodynamics
- Engineering materials and electronics

**Physical Sciences**
- Optics, waves and lasers
- Electronics and magnetism
- Thermal physics and thermal and mechanical properties of matter

**3-TERM MODULES**

IF YOU’RE STUDYING A 3-TERM FOUNDATION CERTIFICATE, YOU’LL ALSO TAKE ENHANCEMENT MODULES OR MATHS AND SCIENCE MODULES.

**3-term Enhancement modules**

**Introduction to Social Sciences**
- Principles of anthropology, sociology, economics and political science

**Statistics**
- Applying statistical knowledge and techniques to real-world problems

**3-term Maths and Science modules**

**Preparatory Mathematics**
- Algebra, geometry, trigonometry, graphs and transformations
- Applications of these topics

**Preparatory Science**
- Essential subject knowledge related to biology, chemistry and physics

**DEGREE POSSIBILITIES**

This Foundation Certificate can lead to a wide variety of degree subjects at the University of York. You could progress to:

- Biology
- Biomedical Science
- Chemistry
- Communication Engineering
- Computer Engineering
- Computer Science
- Ecology
- Electronic Engineering
- Environmental Science
- Genetics
- Geography
- Mathematics
- Physics
- Psychology

For a full list of degree options, see page 48.

**CAREER POSSIBILITIES**

This educational route can open up many career options for you. You could become a:

- Biologist
- Biomedical Scientist
- Data Scientist
- Ecologist
- Electronic Engineer
- Environmental Scientist
- Lab Technician
- Mathematician
- Physicist
- Software Engineer

## Choose Your Undergraduate Degree

Find your University of York undergraduate degree in the tables, and use the key to discover which pathway course is right for you.

### Key to Pathway Courses

**University of York International Pathway College:**
- Foundation Certificate Business and Finance
- Foundation Certificate Humanities, Creative Arts and Media
- Foundation Certificate Law and Social Sciences
- Foundation Certificate Life Sciences, Biomedicine and Environment
- Foundation Certificate Mathematics, Economics and Actuarial Science
- Foundation Certificate Mathematics, Computing and Electronic Engineering

**Kaplan International College London:**
- Foundation Certificate Business, Law and Social Sciences
- Business pathway
- Business and Mathematics pathway
- Law and Social Sciences pathway
- Foundation Certificate Science and Engineering
- Life Sciences pathway
- Science and Engineering pathway

### Arts and Humanities

<table>

Available degree options may change over time, so visit our degree finder online for the most up-to-date list: kaplanpathways.com/york/ug-degrees
POSTGRADUATE PATHWAYS

A PRE-MASTERS IS YOUR IDEAL ROUTE TO A POSTGRADUATE DEGREE AT THE UNIVERSITY OF YORK. THE ONE THAT’S RIGHT FOR YOU WILL DEPEND ON YOUR ACADEMIC AND ENGLISH LANGUAGE LEVEL, PLUS YOUR SUBJECT PREFERENCE.

**Pre-Masters**
You’re guaranteed entry to a York postgraduate degree if you pass at the required level with good attendance.

**Study on campus in York**
You can study a Pre-Masters in one of the following subject areas at the University of York International Pathway College:
- Business, Law, Social Sciences
- Science, Engineering

**Study off campus in London**
You can study a Pre-Masters in one of the following subject areas at Kaplan International College London:
- Business, Law and Social Sciences
- Science and Engineering

**Postgraduate degree**
1 year

**Graduate**
From the University of York

---

**Quote**

“All of my tutors are very enthusiastic. They try to make us think for ourselves and encourage us to be creative. Studying abroad is a very good experience for me, because I now have a lot of time to focus on my studies and research, as well as on my hobbies.”

Kyungmin Noh from South Korea
Pre-Masters student
Pre-Masters

Business, Law, Social Sciences

at the University of York International Pathway College

**COURSE OPTIONS**

| **Entry requirements**: minimum 3 years of higher education in a suitable subject with at least a 3rd-class classification or equivalent, and UKVI IELTS 5.5 in all skills | Study extra English language and academic skills modules first.
**Entry requirements**: minimum 3 years of higher education in a suitable subject with at least a 3rd-class classification or equivalent, and UKVI IELTS 5.0 (minimum 4.5 in all skills) |
| **Course start**: September 2018, January 2019 | **Course start**: September 2018, June 2019 |
| **Course length**: 7 months | **Course length**: 10 months |
| **Degree entry**: September 2019 | **Degree entry**: September 2019, September 2020 |
| **Tuition fees**: £16,600 | **Tuition fees**: £18,770 |

**WHAT YOU’LL STUDY**

**CORE MODULES**

**ALL STUDENTS ON THIS PRE-MASTERS WILL TAKE:**

- **Language for Study 3**
  - Complex arguments in English
  - Giving evidence of research
- **Research Design and Critique**
  - Defining research problems
  - Designing projects to find solutions to those problems
- **Research Project**
  - Organisational and planning skills
  - Supporting arguments with evidence and text references
- **Skills for Study 1**
  - Presentation, note-taking and essay-writing skills
  - Academic learning styles
  - Research skills and avoiding plagiarism
- **Skills for Study 2**
  - Analytical skills in written and spoken information
- **Skills for Study 3**
  - Researching and analysing information to a high standard
  - Structuring written and oral arguments

**PATHWAY MODULES**

YOU’LL ALSO STUDY MODULES IN ONE OF THE FOLLOWING PATHWAYS. THIS IS DETERMINED BY YOUR UNIVERSITY OF YORK DEGREE SUBJECT.

**Business pathway**

- **Global Corporate Marketing Strategies**
  - Global corporate and marketing strategy
  - Developing the marketing mix in a global environment

**Law pathway**

- **Introduction to English, European and International Law**
  - Key areas of English, European and international law
  - Legal principles and research techniques

**English for Academic Skills**

- **Introduction to Management**
  - Functions of management
  - Management models and the contexts in which they are practised

**Quantitative pathway**

**Introduction to Management**

- Functions of management
- Management models and the contexts in which they are practised

**Statistics for Postgraduates**

- Methods of probability and statistics
- Experimental design and sampling
- Data handling, graphical data and Excel

**Social Sciences pathway**

**European Liberal Democracy**

- Liberal democracy as the dominant type of political system in Europe
- Relationship between politics and the media

**Social Science Principles**

- Natural and social phenomena
- Social science theories

**3-TERM MODULES**

IF YOU’RE STUDYING THE 3-TERM PRE-MASTERS, YOU’LL ALSO TAKE:

**Applied Academic Skills**

- Listening and speaking skills
- Independent learning as an international student

**Research Project Basics**

- Good practices for academic research projects

**WHAT YOU’LL STUDY (3 TERMS)**

- **Applied Academic Skills**
  - Listening and speaking skills
  - Independent learning as an international student

**Research Project Basics**

- Good practices for academic research projects
Pre-Masters
Science, Engineering
at the University of York International Pathway College

COURSE OPTIONS

2 TERMS

Entry requirements: minimum 3 years of higher education in a suitable subject with at least a 3rd-class classification or equivalent, and UKVI IELTS 5.5 in all skills
Course start: September 2018, January 2019
Course length: 7 months
Degree entry: September 2019
Tuition fees: £17,050

3 TERMS

Study extra English language and academic skills modules first.
Entry requirements: minimum 3 years of higher education in a suitable subject with at least a 3rd-class classification or equivalent, and UKVI IELTS 5.0 (minimum 4.5 in all skills)
Course start: September 2018, June 2019
Course length: 10 months
Degree entry: September 2019, September 2020
Tuition fees: £19,020

WHAT YOU’LL STUDY

CORE MODULES
ALL STUDENTS ON THIS PRE-MASTERS WILL TAKE:

Engineering, Science and Society
• Relationship between science and society
• Philosophical and critical approaches to scientific methodology
Language for Study 3
• Complex arguments in English
• Giving evidence of research
Research Project – Science and Engineering
• Organisational and planning skills
• Supporting arguments with evidence and text references
• Academic field trip
Skills for Study 1
• Presentation, note-taking and essay-writing skills
• Academic learning styles
• Research skills and avoiding plagiarism
Skills for Study 2
• Analytical skills in written and spoken information
Skills for Study 3
• Researching and analysing information to a high standard
• Structuring written and oral arguments
Statistics for Postgraduates
• Defining research problems
• Designing projects to find solutions to those problems

PATHWAY MODULES
YOU’LL ALSO STUDY A MODULE IN ONE OF THE FOLLOWING PATHWAYS. THIS IS DETERMINED BY YOUR UNIVERSITY OF YORK DEGREE SUBJECT.

Management pathway
Introduction to Management
• Functions of management
• Management models and the contexts in which they are practised
OR
Mathematics pathway
Mathematics for Postgraduates
• Key differentiation and integration techniques
• Limits, sequences and series
• Equations of lines, planes and surfaces
• Double and triple integrals and vector calculus

3-TERM MODULES
IF YOU’RE STUDYING THE 3-TERM PRE-MASTERS, YOU’LL ALSO TAKE:

Applied Academic Skills
• Listening and speaking skills
• Independent learning as an international student
Research Project Basics
• Good practices for academic research projects
English for Academic Skills
• English language skills in an academic context
• Writing and speaking skills

DEGREE POSSIBILITIES
This Pre-Masters course can lead to a wide variety of degree subjects at the University of York. You could progress to:
• Biotechnology
• Communications Engineering
• Computing
• Digital Systems Engineering
• Engineering Management
• Environmental Science
• Media Production
• Statistics

For a full list of degree options, see page 60.

CAREER POSSIBILITIES
This educational route can open up many career options for you. You could become a:
• Computer Engineer
• Electronic Engineer
• Energy Engineer
• Environmental Consultant
• IT Consultant
• Management Consultant
• Media Producer
• Sound Engineer

• Presentation, note-taking and essay-writing skills
• Academic learning styles
• Research skills and avoiding plagiarism

Skills for Study 2
• Analytical skills in written and spoken information

Skills for Study 3
• Researching and analysing information to a high standard
• Structuring written and oral arguments

Statistics for Postgraduate Research
• Methods of probability and statistics
• Experimental design and sampling
• Data handling, graphical data and Excel

PATHWAY MODULES
YOU’LL ALSO STUDY A MODULE IN ONE OF THE FOLLOWING PATHWAYS. THIS IS DETERMINED BY YOUR UNIVERSITY OF YORK DEGREE SUBJECT.

Management pathway
Introduction to Management
• Functions of management
• Management models and the contexts in which they are practised

Mathematics pathway
Mathematics for Postgraduates
• Key differentiation and integration techniques
• Limits, sequences and series
• Equations of lines, planes and surfaces
• Double and triple integrals and vector calculus

WHAT IS EES?
If you don’t qualify for a 2-term Pre-Masters, you can take a course of up to 4 terms with Extended English and Skills (EES), including the 2.5 and 3-term options above. You can still qualify for EES if you have at least UKVI IELTS 4.5 (with no less than 4.0 in any skill).

DEGREE POSSIBILITIES
This Pre-Masters course can lead to a wide variety of degree subjects at the University of York. You could progress to:
• Biotechnology
• Communications Engineering
• Computing
• Digital Systems Engineering
• Engineering Management
• Environmental Science
• Media Production
• Statistics

For a full list of degree options, see page 60.

CAREER POSSIBILITIES
This educational route can open up many career options for you. You could become a:
• Computer Engineer
• Electronic Engineer
• Energy Engineer
• Environmental Consultant
• IT Consultant
• Management Consultant
• Media Producer
• Sound Engineer

* Students who hold an offer from another university may apply to this course, but must ensure that they meet the conditions of their degree offer by successfully completing the course.
HOW TO APPLY
APPLYING TO A PATHWAY COURSE FOR THE UNIVERSITY OF YORK IS EASY! JUST FOLLOW THIS STEP-BY-STEP GUIDE AND, IF YOU HAVE ANY QUESTIONS, OUR FRIENDLY ADVISERS WILL BE HAPPY TO HELP.

Join us on a University of York pathway course in 10 simple steps

1. Apply online at kaplanpathways.study/apply-york (for KIC London, apply at kaplanpathways.study/apply-kicl-york)
2. Include supporting documents, including a copy of your passport and any previous UK visas, now or at a later stage
3. Receive admissions decision
   - Unconditional offer: No conditions to meet or additional documents to send.
   - Conditional offer: You need to meet certain academic conditions and/or send extra documents so we can fully accept your application.
   - Other options: Explore alternative or more suitable study options with your education adviser.
4. Meet the conditions of your offer
5. Pay deposit or send financial guarantee to accept your offer, and book your accommodation*
6. Receive accommodation agreement, pre-arrival guide and CAS (Confirmation of Acceptance for Studies)
7. Apply for a visa – see gov.uk/ukvi for more information
8. Receive your visa and send us a scan
9. Book your flight and fill in the online pre-arrival form
10. Arrive in the UK – we look forward to welcoming you!

* To book your accommodation, complete the online accommodation form and pay the holding fee when you accept your study offer. You will then receive your accommodation agreement, which you will need to read, sign and return to reserve your room. Note that students accepting an offer to study at KIC London will also need to pay a £200 administration fee at the same time as the deposit.

ANY QUESTIONS?
Turn to page 66 for answers to common questions, plus contact information.
QUESTIONS AND ANSWERS

IF YOU HAVE QUESTIONS ABOUT STUDYING AT THE UNIVERSITY OF YORK, LET US TRY TO ANSWER THEM BELOW. ALTERNATIVELY, YOU CAN GET IN TOUCH.

How much does it cost to study?
Studying in the UK is a big investment, so you need to plan ahead. You must have at least £1,015 per month of your Pathway College course, (£1,265 per month if you study in London), up to a maximum of 9 months, as well as funds to cover any unpaid tuition fees. This must be held in a recognised bank account for at least 28 days before you apply for your Tier 4 (General) student visa. See the guide below for more information on costs.

What supporting documents do I need to provide?
For a complete application, you need to provide:
- copies of your passport and any previous UK visas
- IELTS certificate (UKVI Academic)
- academic transcripts (plus certified translations if the original transcripts aren’t in English)
- previous UK visas
- copies of your passport and any immigration history
- any certificates of language proficiency
- two references (if required for your chosen course - ask your teacher or employer to write one)

You can still apply without all these items, but you may need to complete the application process quicker or provide additional evidence to support your application.

Do I need insurance?
You’ll need to be fully covered by student insurance for all of your pathway course in the UK. In partnership with Endsleigh, a leading insurance provider, we can offer a comprehensive policy. Find out more at: kaplanpathways.com/insurance

Are scholarships available?
Some partial tuition fee scholarships for pathway courses and degrees are offered.

Do I need a guardian in the UK?
If you are under 18 years old, you’ll need a legal guardian while you study in the UK until you reach 18. This is something we can help arrange – find out more at: collegeguardians.co.uk

How can I apply for PSE?
If you want to study a Pre-Sessional English course, contact: jo@york.ac.uk

How long does the application process take?
If your application to study is complete and successful, once our Admissions team receives it, they will issue a study offer within 1 working day. The duration of the following process varies, so apply at least a few months in advance. This gives enough time to prepare your visa application and reserve your accommodation.

Do you speak my language?
If you, or your parents, would like to speak to us in your first language, we can help! Between them, our education experts speak the following languages:
- Arabic
- Bengali
- Cantonese
- German
- Hindi
- Indonesian
- Ibo
- Kazakh
- Korean
- Malay
- Mandarin
- Russian
- Spanish
- Turkish
- Vietnamese
- Yoruba
