

GENDER AND MIGRATION BIBLIOGRAPHY

This is a student generated bibliography. The following texts were compiled by the students from the module 'Gender and Migration' 2019-2020 as part of their assessment. Students are asked to produce an annotated bibliography which engages with a range of topics from the module, a number of different national contexts, and include references from diverse international sources. The references are reproduced here without the annotations. The list will be updated in 2021 with the contributions of the 2020-21 cohort of students
