UNIVERSITY  
*of York*

**WOMEN'S  
STUDIES  
NOW!**

From the climate emergency through attacks on women's bodily autonomy to the place of gender in far-right populist discourse, Women's Studies is uniquely placed to shine a critical light on some of the most urgent topics facing the world today. To this end, the Centre for Women's Studies invites you to a new research seminar series for 2022-2023.

Women's Studies Now! brings together cutting-edge feminist research being conducted at the University of York and beyond.

Autumn term events:

**Wednesday 19 October**, 4.30. Roundtable on **Gender and Migration**.

**Monday 21 November**, 3.30. Roundtable on **Gender and Violence** marking the International Day for the Elimination of Violence against Women on 25 November.

Venue: **Berrick Saul Building, Treehouse**. Drinks reception afterwards.
